Bronze Route Leverndale Hospital
Enjoy a circuit of Rosshall Park Gardens.
From the Gatehouse, walk through the hospital grounds to the north gate. Cross Crookston Road and turn left over Howford bridge. Enter Rosshall Park on your right, taking the path on the right signed “River Walk”. Follow this around to the first footbridge, then take the gate on the left of the path to the old boiler house. Turn left and double back through the rock gardens to the lawns above the lake. Turn left on the path signed “Grotto” where a series of paths lead back to the entrance and Crookston Road. Return to the start.

Silver Route Leverndale Hospital
A walk past ancient woodland along a riverside path.
From the gatehouse, walk away from Crookston Road to the first roundabout then turn right. An easy slopes leads to Crookston Oval. These buildings were part of the original hospital, built in 1906. Bull Woods at the foot of the hill are remains of ancient woodland. At the top of the hill go straight ahead downhill along a path then turn right along the river bank. Turn right at the first junction and return to the start through the hospital grounds.

Gold Route Leverndale Hospital
A riverside walk along the White Cart Water to 14th century Crookston Castle.
Follow bronze route to the entrance to Rosshall Park. Go straight ahead through the park to the river. Turn left, go past Rosshall Academy and continue until you reach a footbridge. Cross the bridge and turn right along the riverbank to Bonnyholm Avenue. Follow this road around then turn right on a path into the woods just before you reach Linthwaugh Road. Turn right along the White Cart Water until its junction with Lavern Water, then go back along the Levern to Linthwaugh Road. Cross the road, turn right then left to Torside Crescent and walk uphill to Crookston Castle. Circle the castle inside or outside the moat, then walk downhill to Brockburn Road. Turn right and walk to Crookston Road and back across to the start point.
