## PERSONAL DECLARATION

I have discussed personal information about my circumstances and understand that in being referred to the above organisation I agree for them to exchange relevant information I have provided and communicate with each other about my case. I have provided my telephone number and address and give my permission for these organisations to contact me at home if necessary.

I understand that my participation in the Keep Well project is voluntary and that I am free to withdraw at any time, without giving any reason, without my medical care or legal rights being affected.

I agree to have this information I provide recorded for this project.

I agree for anonymous information about me to be given to the evaluation team to compile records on the success of the project for the Scottish Government.
