Concessionco incurs any additional cost, loss and/or expense in carrying out and completing the Works, Services or any Additional Work or exercising its rights under or performing any of its other obligations under the Project Agreements, then subject to the proviso below the Trust shall pay to Concessionco the amount of such cost, loss and/or expense and the following procedure shall apply provided always that the Trust shall not be obliged to pay such amount to Concessionco under this Clause 6.4 to the extent that any insurance proceeds under any insurances to be taken out and maintained by Concessionco pursuant to this Agreement are received by Concessionco which discharge, pro tanto such amount as a result of any such default or negligence of the Trust or act or omission of any person for whom the Trust is responsible or that such proceeds would have been received by Concessionco save for the fact that Concessionco did not make a claim under any such insurance policy (other than where the Trust and Concessionco agree that a claim should not be made) and/or any such claim has been refused on the basis that Concessionco knowingly initiated the policy as between Concessionco and the insurer. Concessionco shall submit details of such cost, loss and/or expense to the Trust's Representative and as soon thereafter as may be reasonably practicable the parties shall meet in good faith and use all reasonable endeavours to agree the amount thereof, provided always that the Trust shall not be liable to pay to Concessionco under this Clause any amount in respect of any additional cost, loss and/or expense which Concessionco would not have incurred if Concessionco had acted reasonably in all the circumstances. In the absence of agreement, such amount shall be determined by reference to the Disputes Resolution Procedure on application by either party. The amount so agreed or determined shall be paid to Concessionco by the Trust within 20 Business Days of receipt by the Trust of Concessionco's invoice therefor.

6.5 The Trust shall at all times use all reasonable endeavours to:

(b) seek to ensure efficient utilisation of the Facility and the Services; and

(c) notify Concessionco forthwith if at any time it becomes or anticipates becoming unable to meet any of its financial obligations and in such case inform and keep Concessionco informed of any course of action to remedy the situation recommended or required by the Scottish Ministers or other competent authority.

provided always that, subject to Clause 6.6, Concessionco shall have no rights or remedies against the Trust in respect of any breach or alleged breach of the obligations contained in this Clause 6.5 and in particular Concessionco shall have no entitlement to any damages, indemnity, extension of time or rights of termination in respect of such breach or alleged breach.

6.6 Subject to the proviso below the Trust shall not hold Concessionco liable by way
of adjustment to the Availability Payment, any Performance Percentage or the Performance Related Payment for any loss arising from failure on the part of Concessionco to fulfil any obligation under any of the Project Agreements to the extent that such liability or loss is caused by or arises as a consequence of:

(i) any act or omission of the Trust (other than an act or omission in the course of the proper and prudent exercise of its statutory functions by the Trust) or any negligence or default of the Trust or any act, omission, negligence of default or any person for whom the Trust is responsible including, for the avoidance of doubt, any Additional Service Contractor or any person (other than Concessionco) undertaking any Additional Work or any statutory undertaker, or provider of utilities to the Facility or the Site including without limitation any breach by the Trust of any of its obligations and/or undertakings under the Project Agreements or any act or omission of a patient of the Trust or visitor to the Facility but only to the extent that such acts or omissions hinder or prevent Concessionco from providing the Services but not otherwise;

(ii) any loss or damage to, or malfunction or failure of, or failure to replace, renew or provide any equipment which Concessionco is not obliged to maintain, repair, replace or renew pursuant to the provisions of this Agreement; or

(iii) the instructions of any member of the Trust's medical, nursing or clinical staff pursuant to any of the Service Level Specifications to any Service Provider that a particular activity or particular activities to be performed pursuant to such Service Level Specification should cease.

Provided however that the Trust shall be entitled to hold Concessionco liable by way of adjustment to the Availability Payment, any Performance Percentage or the Performance Related Payment where such loss is caused by an act, omission, negligence or default of the Trust in terms of sub-clause (i) above to the extent that any insurance proceeds under any insurances to be taken out and maintained by Concessionco pursuant to this Agreement are received by Concessionco as a result of any such liability or loss is caused by or arises as a result of any such default or negligence of the Trust or act or omission or negligence or default of any person for whom the Trust is responsible or that such proceeds would have been received by Concessionco save for the fact that Concessionco did not make a claim under any such insurance policy (other than when the Trust and Concessionco agree that a claim shall not be made) and/or any such claim has been refused on the basis that Concessionco knowingly vitiated the policy as between Concessionco and the insurer.

6.7 Concessionco shall ensure that at all times a duly authorised officer or representative of Concessionco is appointed to perform the duties and functions of Concessionco's Representative under this Agreement and that his identity is notified to the Trust and Concessionco shall procure that such appointee shall perform such duties and functions in a proper and timely manner.

7 PREMISES AND ACCESS
7.1 On the Date of Possession the Trust will grant and Concessionco will accept the grant of the Lease. The Trust will furnish to Concessionco such documents and evidence as the Keeper may require, including a taxative plan of the Site, to enable the interest of Concessionco to be registered in the Land Register of Scotland without exclusion of indemnity under Section 12(2) of the Land Registration (Scotland) Act 1979.

7.2 On or prior to the Date of Possession the Trust will exhibit or deliver to Concessionco a Form 10/11 Report brought down to a date as near as practicable to the Date of Possession and showing no entries adverse to the Trust's interest in the Premises. The Land Certificate to be issued to Concessionco will disclose no entry, deed or diligence prejudicial to Concessionco's interest other than such as are created by or against Concessionco, or have been disclosed to and accepted by Concessionco prior to the Date of Possession and the Trust will deliver to Concessionco at the Date of Possession a letter of obligation in self proving from undertaking to clear the Register of any such entry, deed or diligence.

The cost of stamping and registering the Lease will be borne by Concessionco.

7.4 The Trust will remove from the Site and give vacant possession of the Site to Concessionco on 3 August 1999. Notwithstanding any other provision of the Agreement any delay beyond 3 September 1999 (and not before) in giving vacant possession of the Site to Concessionco will constitute a default by the Trust in terms of Clause 6.4 and 6.6 of this Agreement.

7.5 Concessionco and/or Concessionco's solicitors have been supplied with copies of the documents specified in Part 4 of the Schedule ("the Titles") and (where the Titles are designated as originals in the said Part 4 of the Schedule) they have been afforded the opportunity to examine the originals of the Titles and to request sight of any document referred to in the Titles. Accordingly, Concessionco shall be deemed to have entered into this Agreement with notice of the terms and conditions of the Titles and shall not be entitled, therefore, to raise any objection or enquiry in respect of any matter contained or referred to in the Titles after the execution of this Agreement.

7.6 Notwithstanding the foregoing Clause 7.5, insofar as the Trust are aware, there are no burdens, servitudes, wayleaves or similar third party rights (except for (1) the Lease and (2) rights enjoyed by any statutory undertakers, whether public or private) affecting the Site which are not disclosed in the title deeds of the Site, but no warranty is given and Concessionco shall be deemed to have satisfied itself in this respect.

Such licence shall carry the right to grant sub-licences and shall be transferable to third parties.

9.5 Insofar as the beneficial ownership of copyright and all other intellectual property and design rights in any information or documents to be contained at any time in the Health and Safety File will be vested in any person other than Concessionco, Concessionco shall procure, as a condition precedent to the appointment of such beneficial owner, that he grants to the Trust an irrevocable, royalty free and non-exclusive licence to use and reproduce the Health and Safety File for any and all purposes connected with the Works, the Services and the Facility. Such licence shall carry the right to grant sub-licences and shall be transferable to the third parties.

9.6 Concessionco shall, for the duration of Phase I, compile, maintain and update the Health and Safety File and ensure its availability for use in connection with such future works as may be carried out to the completed Works.

10 APPOINTMENT OF BUILDING CONTRACTOR

10.1 The Construction Contract shall be in the form set out in Part 9 of the Schedule. For the purposes of Clauses 45.1(d) (Consequences of Termination following
default by Trust), 45.3(d) and 46.1(c) (Consequences of termination without default) the Trust acknowledges and agrees that Concessionco and the Building Contractor and Concessionco and the Construction Manager have entered into the Construction Contract and the Construction Management Contract respectively on an arms length basis.

10.2 Concessionco shall comply with the terms of and promptly carry out all its duties under the Construction Contract provided that breach of this Clause 10.2 shall entitle the Trust only to those remedies expressly provided in this Agreement.

10.3 Concessionco shall not without the Trust's prior written consent, which consent shall not be unreasonably withheld or delayed, compromise or waive any claim it may have against the Building Contractor in any way which would or might materially adversely affect the interests of the Trust.

11 LETTER OF UNDERTAKING (WORKS)

Concessionco shall procure and deliver to the Trust a duly executed letter of undertaking by the Building Contractor in the form set out at Part A of Part 11 of the Schedule.

12 REVIEW OF DETAILED DESIGN

12.1 By the dates and in accordance with the procedural requirements set out in Part 6 of the Schedule Concessionco shall submit to the Trust's Representative and the Trust's Representative shall review Concessionco's proposals for the Detailed Design. In the event of any failure by the Trust or the Trust's Representative to review, approve and/or make comment upon information submitted by Concessionco in accordance with the requirements of Part 6 of the Schedule such information shall be deemed to have been approved by the Trust or the Trust's Representative (as the case may be) for the purposes of Part 6 of the Schedule. For the avoidance of doubt Concessionco shall not be entitled to any extension of time and/or any additional payment in relation to any such failure.

12.2 Upon receipt by the Trust's Representative of Concessionco's final proposals the Trust's Representative shall within 10 Business Days (or such other period as the parties may agree) return such proposals to Concessionco marked either "Received", "Received with Comments", or "Comments". In the event that such proposals are returned marked "Received", Concessionco may proceed with that part of the Works to which such proposals relate. In the event that such proposals are returned marked "Received with Comments", Concessionco may proceed with that part of the Works to which such proposals relate but only subject to such comments. In the event that such proposals are returned marked "Comments", the part of such proposals to which such comments relate shall be resubmitted by Concessionco to the Trust amended to take account of such comments and Concessionco shall not proceed with the Works to which such comments relate (otherwise than at Concessionco's own risk) until such amended proposals have been returned by the Trust's Representative marked "Received" or "Received with Comments" and the Trust's Representative shall return such amended proposals within 10 Business Days (or such other period as the parties may agree) of receipt.
Provided always that when carrying out its review of any proposals submitted by Concessionaire pursuant to this Clause, the Trust may only return such proposals marked "Received with Comments" or "Comments" where such proposals are not in accordance with the Basic Design, or the Legal Requirements or do not constitute sufficient information to permit the Trust to comment and such comments relate solely to such matters.

12.3 In the event that the Trust's Representative shall fail to return any proposal submitted by Concessionaire pursuant to Clause 12.1 within the time and/or in accordance with the procedure specified in Clause 12.2 such proposal shall be deemed to have been returned by the Trust's Representative marked "Received".

12.4 In the event that Concessionaire on reasonable grounds does not consider any comment of the Trust's Representative made pursuant to Clause 12.2 to be suitable or appropriate with respect to the provisions of this Clause the matter shall, failing resolution by agreement between the Trust's Representative and Concessionaire, be referred to the Disputes Resolution Procedure.

12.5 The proposals made by Concessionaire pursuant to Clause 12.1, once marked (or deemed pursuant to this Clause 12 to be marked) "Received" or "Received with Comments" by the Trust's Representative shall (as amended if marked "Received with Comments") comprise the Detailed Design for the Works.

13 DETAILED COMMISSIONING SCHEDULE

13.1 Not less than 26 weeks before the date anticipated for Completion in the Contractor's Programme the parties shall meet in good faith and use all reasonable endeavours to agree the Detailed Commissioning Schedule.

13.2 The Detailed Commissioning Schedule shall be developed by the parties from the Outline Commissioning Schedule and shall include modifications and additions to the Outline Commissioning Schedule to show and describe the steps necessary, the party responsible for taking each of such steps and the timing and sequence of each of such steps in order to demonstrate:

(a) that the Works will be completed by the Completion Date in accordance with this Agreement; and

(b) that Concessionaire's Post-Completion Commissioning and the Trust's Post-Completion Commissioning will be completed by the Payment Commencement Date so that the Facility is commissioned in accordance with this Agreement.

13.3 The Trust Equipment shall comprise any Group 2, 3 or 4 equipment at the Facility or on the Site.

13.4 In the absence of agreement as to the Detailed Commissioning Schedule within 6 weeks of the first meeting of the parties for such purpose (or such longer period as the parties may agree) the Detailed Commissioning Schedule shall be determined by reference to the Disputes Resolution Procedure to give effect to Clause 13.2.
13.5 Concessionco warrants to the Trust that the Equipment listed as Group 1 in the Equipment List shall (subject to the provisions of the Funding Agreements and of the agreements with the providers from time to time of Subordinated Debt, other than Tarmac Construction (PFI) Limited and UME Investment Co. Limited and subject to any rights which the Trust may have as landlord under the Lease) be and remain vested free from all encumbrances in Concessionco.

14.A VARIATIONS - PHASE I

14A.1 Concessionco may at any time during Phase I, subject to giving reasonable prior notice in the form contained in Part 12 of the Schedule to the Trust, make variations to the Basic Design or the Detailed Design which:

(a) will not adversely affect the quality, appearance or function of the Facility or the ability of the Facility to meet the Trust's requirements and will not unreasonably delay the date by which the Works would otherwise have been completed, provided that if the Trust shall, having received any such notice, contend by notice in writing to Concessionco (such notice to be served within 10 Business Days) that any such variation will or may cause any such adverse effect or unreasonable delay, Concessionco shall take no steps to effect such variation until the same shall be agreed by the Trust or the dispute determined by reference to the Disputes Resolution Procedure, or

(b) are necessary to implement a Change in the Legal Requirements but which do not, pursuant to Clause 14B (Changes in Legal Requirements - Phase I), entitle Concessionco to compensation from the Trust.

14A.2 Except as provided in Clause 14A.1, during Phase I Concessionco may make variations to the Basic Design and/or the Detailed Design only with the Trust's consent (such consent not to be unreasonably withheld or delayed) and provided that in relation thereto Concessionco submits to the Trust's Representative proposals for review in accordance with Clauses 12.1 and 12.2 (Review of Detailed Designs) together with its estimate of the effect, if any, of the proposed variation upon the Works. The Trust shall be entitled to be reimbursed by Concessionco for the expenses properly incurred by them in appointing any consultants and/or advisers to advise upon any request made by Concessionco pursuant to Clause 14A.1 and/or 14A.2 only in circumstances where the Trust has obtained Concessionco's prior written approval (such approval not to be unreasonably withheld or delayed) to appointment of such adviser and/or consultant (and that only of appropriate disciplines) and the scopes of work and the expenses which the Trust may incur in such appointment for each such adviser and/or consultant.

14A.3 The Trust may itself at any time during Phase I propose variations to the Basic Design and/or the Detailed Design in which event the following procedure shall apply:

(a) The Trust's Representative shall give to Concessionco notice in the form
contained in Part 12 of the Schedule ("Change Notice") indicating the nature of the proposed variation and as soon thereafter as may be reasonably practicable the parties shall meet in good faith to discuss such proposed variation, the Trust providing such further information as Concessionco may reasonably require including, without limitation, detailed information as to the Trust's requirements and its proposals for their implementation.

(b) Within a reasonable period after the receipt by Concessionco of the notice and information referred to in Clause 14A.3(a) Concessionco shall, acting reasonably and in good faith (but subject to the proviso below) submit to the Trust's Representative:

(i) proposals for review in accordance with Clauses 12.1 and 12.2 (mutatis mutandis) and where necessary proposals for modification to the Outline Commissioning Schedule and/or the Detailed Commissioning Schedule and/or any Service Level Specification;

(ii) proposals as to the basis for compensation (which shall include, without limitation an adjustment to the Total Payment, or if, after using reasonable endeavours, Concessionco is unable within 30 Business Days after receipt of the notice referred to in Clause 14A.3(a) to secure sufficient additional funding on reasonable commercial terms, such other basis of compensation as Concessionco may propose) in respect of the proposed variation which proposals shall reflect the anticipated cost (such costs to include without limitation the anticipated cost of funding where appropriate) reasonably and necessarily to be incurred by Concessionco over the Contract Period as a consequence of complying with the proposed variation;

(iii) proposals as to the length of any extension of time pursuant to Clause 17 (Extension of Time—Works); and

(iv) such other proposals (including without limitation amendments to the Project Agreements) as may in the reasonable opinion of Concessionco be necessary for the implementation of the proposed variation or as a consequence thereof.

Provided always that Concessionco shall not be obliged to submit any such proposals if Concessionco serves notice on the Trust's Representative that, in its reasonable opinion, the proposed variation would adversely affect the structure, design life or function of the Facility. Any such notice shall be accompanied by Concessionco's grounds for such opinion and, in the event that the Trust's Representative questions such opinion or grounds, the parties shall meet and acting in good faith shall use reasonable endeavours to reach agreement in relation thereto, failing which the decision of Concessionco on the matter shall be final and binding on the parties and shall not be referable to the Disputes Resolution Procedure.
In the event that Concessionco's proposals submitted pursuant to Clause 14A.3(b) are agreed then (without prejudice to the provisions of Clause 12) the Trust's Representative shall issue a Confirmed Variation Instruction in respect thereof and Concessionco shall give effect thereto. The Trust's Representative shall grant an extension or extensions of time of the agreed length(s) (if any) and effect shall be given to the agreed basis of compensation in such manner as may be agreed between the Trust's Representative and Concessionco.

If no agreement can be reached in relation to the proposals referred to in Clause 14A.3(b) the parties shall meet and, acting in good faith, shall use reasonable endeavours to reach agreement in relation thereto failing which no Confirmed Variation Instruction shall be issued by the Trust's Representative in respect thereof and the Trust's proposed variation shall be deemed to have been withdrawn.

If in either such case no Confirmed Variation Instruction shall be issued within 20 Business Days after submission of Concessionco's proposals pursuant to Clause 14A.3(b) Concessionco shall submit to the Trust's Representative details of the costs reasonably and necessarily incurred by Concessionco in preparing its proposals pursuant to Clause 14A.3(b) and the Trust shall pay such costs to Concessionco (in such manner as the parties may agree, including without limitation by way of an adjustment to the Total Payment or, failing such agreement within 20 Business Days from submission by Concessionco of such details and Concessionco's invoice in respect thereof).

If the Trust's Representative issues notice of a proposed variation pursuant to Clause 14A.3 no work pursuant to such proposed variation shall be commenced until such time as the Trust's Representative issues a Confirmed Variation Instruction.

14A.4 For the avoidance of doubt this Clause 14A shall not apply to any variation to the Basic Design which constitutes Design Development.

14B  CHANGES IN LEGAL REQUIREMENTS - PHASE I

14B.1 In the event of a Change in the Legal Requirements which renders or will render any obligation to be performed by Concessionco during Phase I more costly and/or will have the effect of reducing the amount of the Total Payment otherwise payable, the following provisions shall apply.

14B.2 Where any Change in the Legal Requirements:

(a) is enacted or otherwise takes effect within the period of forty-three Months after the Date of Possession (other than a Qualifying Change); or

(b) is a change in Corporate Tax Legislation (other than a Qualifying Change); or
(c) is a change in Environmental Legislation (other than a Qualifying Change); or

(d) is a change in Health and Safety Legislation (other than a Qualifying Change);

Concessionco shall comply with such Change in the Legal Requirements at its own expense and shall not be entitled to any compensation from the Trust in respect thereof.

14B.3 Where a Change in the Legal Requirements is not a Change in the Legal Requirements falling within the categories listed in Clause 14B.2, the Trust shall compensate Concessionco in respect thereof and the following procedure shall apply:

(a) Concessionco and the Trust’s Representative shall forthwith meet in good faith and use reasonable endeavours to agree the steps necessary and appropriate to give effect to such Change in the Legal Requirements; and

(b) subject to (a) above such Change in the Legal Requirements shall be treated as a variation proposed by the Trust under Clause 14A.3 save that the Trust shall not be entitled to withdraw such variation; and

(c) accordingly, Concessionco shall, acting reasonably and in good faith (but subject to the proviso below) submit to the Trust’s Representative:

(i) proposals for review in accordance with Clauses 12.1 and 12.2 (mutatis mutandis) and where necessary proposals for modification to the Outline Commissioning Schedule and/or the Detailed Commissioning Schedule and/or any Service Level Specification; and

(ii) proposals as to the basis for compensation (which shall include, without limitation an adjustment to the Total Payment, or, if after using reasonable endeavours, Concessionco is unable within 30 Business Days of the first meeting convened pursuant to (a) above to secure sufficient additional funding on reasonable commercial terms, such other basis of compensation as Concessionco may propose) in respect of such Change in the Legal Requirements which proposals shall reflect the anticipated costs (such costs to include without limitation the anticipated cost of funding where appropriate) reasonably and necessarily to be incurred by Concessionco over the unexpired Contract Period as a consequence of complying with such Change in the Legal Requirements;

(iii) proposals as to the length of any extension of time pursuant to Clause 17 (Extension of Time - Works); and

(iv) such other proposals (including amendments to the Project Agreements) as may in the reasonable opinion of Concessionco be
necessary for the implementation of such Change in the Legal Requirements or as a consequence thereof.

14B.4 In the event that Concessionco's proposals submitted pursuant to Clause 14B.3(c) are agreed then (without prejudice to compliance by both parties with Clause 12 (Review of Detailed Design) the Trust's Representative shall issue a Confirmed Variation Instruction in respect thereof and Concessionco shall give effect thereto. The Trust's Representative shall grant an extension or extensions of time of the agreed length(s) (if any) and effect shall be given to the agreed basis of compensation in such manner as may be agreed between the Trust's Representative and Concessionco.

14B.5 If in relation to any such matter the parties fail to reach agreement within 20 Business Days of the first meeting of the parties for such purpose or within such other period as the parties may agree, including without limitation regarding the amount of compensation payable by the Trust to Concessionco in respect of such variation then either party may at any time refer such dispute to the Disputes Resolution Procedure for determination on the basis set out in Clause 14B.6.

14B.6 Financial compensation in respect of a Change in the Legal Requirements payable by the Trust to Concessionco pursuant to this Clause 14B shall include:

(i) all the anticipated costs (such costs to include without limitation (without prejudice to (ii) below) the anticipated costs of funding as appropriate which shall, while any monies under the Senior Loan Agreement are still outstanding, be paid over a period extending no longer than the final maturity of the senior loan made under the Senior Loan Agreement) reasonably and necessarily to be incurred by Concessionco over the unexpired Contract Period as a consequence of complying with such Change in the Legal Requirements; and

(ii) if, after using reasonable endeavours, Concessionco is unable within 30 Business Days of the first meeting convened pursuant to Clause 14B.3(a) to secure sufficient additional funding on reasonable terms, such funding from the Trust as would fully reimburse Concessionco in respect of any capital expenditure (as such term is interpreted in accordance with generally accepted accounting principles in the United Kingdom from time to time) properly incurred by virtue of any Change in the Legal Requirements, against invoices (submitted in accordance with Clause 25.10 (Payment)) in respect of those parts of the obligations to be performed by Concessionco as a consequence of any Change in the Legal Requirements requiring capital expenditure which have been completed.

15 INSPECTION, MEETINGS AND SUPPLY OF INFORMATION

15.1 At all reasonable times during Phase I, the Trust and any person authorised by the Trust may enter the Site and inspect the Contract Works (subject to giving reasonable prior notice to Concessionco and the Building Contractor and subject also to complying with Concessionco's and the Building Contractor's reasonable instructions) to view the state and progress of the Contract Works, to inspect
workmanship, goods and materials used or intended to be used in the Contract Works and to ascertain generally that provisions of this Agreement have been and are being complied with.

15.2 The Trust may notify Concessionco of any non-compliance with this Agreement found upon such inspection and make representations to Concessionco generally concerning the state and progress of the Contract Works.

15.3 Concessionco will procure that any non-compliance with the terms of this Agreement in relation to the performance of the Works is promptly remedied and that any materials, goods or workmanship which are not in accordance with the terms of this Agreement are rectified or replaced promptly.

15.4 Not less frequently than once in every Month and on 5 Business Days notice given to the Trust (which notice shall specify the date, time, place and agenda for such meeting) Concessionco shall convene meetings with the Building Contractor relating to the Contract Works to which the Trust’s Representative shall be entitled to attend.

15.5 Concessionco will procure that during Phase I the Building Contractor provides the Trust upon reasonable request and at no cost to the Trust with such details, drawings and other information (other than confidential commercial information) including method statements, cash flow statements, programmes and health and safety policies/procedures as the Trust may reasonably require in connection with the Contract Works.

15.6 The liability of Concessionco under this Agreement shall not be in any way affected by any approval, comment, representation, consent, enquiry or inspection into any relevant matter which may be made or carried out by or on behalf of the Trust or by any failure to give or carry out any such approval, comment, representation, consent, enquiry or inspection.

15.7 Concessionco shall procure that the Trust's Representative is provided with copies of the following as and when the same are prepared, executed or issued:

Each such licence shall carry the right to grant the sub-licences for any such purpose and shall be transferable to third parties.

(c) such particulars shall include copies of all notices, particulars and estimates given by the Building Contractor to Concessionco in respect thereof;

(d) the Trust’s Representative shall, as soon as reasonably practicable following receipt of the notice and particulars referred to in sub-clauses (a) to (c) above and having regard to the sufficiency of such notice and particulars, notify Concessionco of such adjustment to the Completion Date (if any) as may be fair and reasonable in all the circumstances (but without prejudice to Concessionco using all reasonable endeavours to mitigate such delay and the effects thereof in accordance with Clauses 6.1 and 6.2 (Assistance and Co-operation)); and

(e) the Trust’s Representative shall from time to time, upon submission by
Concessionco of further particulars, authorise such further adjustments to the Completion Date (if any) as may be fair and reasonable in all the circumstances (but without prejudice to Concessionco using all reasonable endeavours to mitigate such delay and the effects thereof in accordance with Clauses 6.1 and 6.2 (Assistance and Co-operation)).

For the avoidance of doubt any dispute as to any adjustment to the Completion Date shall be referred to the Disputes Resolution Procedure.

17.2 The events referred to at Clause 17.1 are as follows:

Provided that the specific event in question referred to in paragraph (d) above is not due to any deliberate (other than one arising by virtue of compliance by Concessionco with its obligations under any Project Agreements) or negligent act or omission on the part of Concessionco during or prior to the Completion Date and the specific event could not reasonably have been foreseen at the date of this Agreement by an experienced building contractor.

17.3 Concessionco shall submit such further particulars to the Trust's Representative as may be reasonably necessary to supplement the notices and particulars referred to in Clause 17.1 including, without limitation, by supplying copies of any further or revised notices, particulars or estimates given by the Building Contractor to Concessionco.

This Clause 18.11 shall not be subject to the Disputes Resolution Procedure.

27.3 If the Trust disputes any matter referred to in any Performance Notice then the Trust's Representative may request the opinion of any member of the Project Panel upon such matter. Concessionco shall take proper account of such opinion and shall thereupon immediately confirm, withdraw or modify the Performance Notice in respect of such matter and shall inform the Trust accordingly.

27.4 Without prejudice to the generality of the foregoing, in respect of the period from the Payment Commencement Date until the first day of the second Month following the Payment Commencement Date there shall be no adjustment to the Performance Related Payment in relation to any Service in respect of a failure in the performance of a Service unless a Fault arises out of or in connection with any event which has caused a reduction in the Availability Payment for that period pursuant to and in accordance with Clause 26 (Availability).

27.5 The Performance Percentage and the corresponding adjustment to the Performance Related Payment for each Service shall be ascertained by application of the performance monitoring procedure in the relevant Service Level Specification having regard to the Guidance for Use of the Performance Monitoring System forming part of Part 21 of the Schedule.

27.6 If the Performance Percentage recorded in any Performance Notice given for the same Service (but subject to Clause 27.3) is greater than 70% but less than 75% for two successive Months (disregarding in the calculation of any such Performance Percentage (unless and until resolved in the Trust's favour) any Performance Standard for which the score to be awarded to Concessionco is still being disputed), the Trust will be entitled to issue to Concessionco a Termination Warning, such Termination Warning to be issued within ten days after the date of the Performance Notice in respect of which it is given or (if later) within 10 Business Days after the issue of a confirmation, withdrawal or modification pursuant to Clause 27.3 or the determination of any dispute relating to the same.

27.7 The Termination Warning will state that, if, for the period of two successive Months starting with the first day of the Month following the date of the issue of the Termination Warning (or, if later, the date of issue of a withdrawal, confirmation or modification pursuant to Clause 27.3), the Performance
Percentage recorded in any Performance Notice for such Service (but subject to Clause 27.3) in respect of both of those Months is less than 75% (disregarding in the calculation of any such Performance Percentage (unless and until resolved in the Trust's favour) any Performance Standard for which the score to be awarded to Concessionco is still being disputed), then the Trust shall be entitled to require Concessionco by notice in writing to be given within 10 Business Days after the issue of the Performance Notice for the second such Month in respect of such Service or within 10 Business Days after the determination of any dispute relating to the same to appoint or procure the appointment of a replacement Service Provider in respect of such Service following the end of the second of those Months.

27.9 If the Performance Percentage recorded in any Performance Notice given for the same Service falls below 70% (but subject to Clause 27.3) in any two Months out of any three successive Months (disregarding in the calculation of any such Performance Percentage (unless and until resolved in the Trust's favour) any Performance Standard for which the score to be awarded to Concessionco is still being disputed) the Trust shall be entitled to require Concessionco by notice in writing to be given within 10 Business Days after the issue of the Performance Notice for the second such Month in respect of such Service or within 10 Business Days after the determination of any dispute relating to the same to appoint or procure the appointment of a replacement Service Provider in respect of such Service.

27.10 Upon the Trust requiring Concessionco to appoint or procure the appointment of a replacement Service Provider pursuant to this Clause Concessionco shall within 45 Business Days appoint or procure the appointment of such a replacement Service Provider, provided that Concessionco shall not be in breach of this Clause 27.10 if such breach arises as a consequence of Concessionco complying with any Legal Requirement.

27.11 It shall be considered a material breach of this Agreement entitling the Trust to terminate this Agreement pursuant to Clause 40.2 (Termination of Agreement by default of Concessionco) if either (i) four Service Providers in respect of a single Service or (ii) Service Providers in respect of four different Services are replaced upon requirement of the Trust pursuant to this Clause 27 in any three Year period, provided that if within three months of the end of any three Year period a Service
Provider is replaced in respect of a single Service for the third time in such three Year period the Trust shall be entitled to terminate this Agreement pursuant to Clause 40.2 if Concessionco is not able to show to the Trust’s reasonable satisfaction by the date that is three Years and three months from the date the first Service Provider in such three Year period was replaced that the then current Service Provider of such Service can perform the obligations set out in the Service Level Specification for that Service.

27.12 If in any period of three Years either:

(a) three Service Providers in respect of a single Service have been replaced upon the requirement of the Trust pursuant to Clause 27 and either a Termination Warning is given or a notice is given by the Trust pursuant to Clause 27.9 in respect of that Service; or

(b) Service Providers in respect of three different Services have been replaced upon the requirement of the Trust pursuant to Clause 27 and either a Termination Warning is given or notice is given by the Trust pursuant to Clause 27.9 in respect of any other Service;

then Concessionco shall consult with the Trust as to how it intends to perform or procure the performance of the relevant Service or Services and shall take proper account of the opinions of the Trust in the course of such consultation.

Adjustments for unavailability

27.13 If by reason of a default in the performance of a Service one or more of the circumstances set out in Part 20 of the Schedule (Availability Payment) shall occur at the Facility otherwise than as a result of any of the matters referred to in paragraphs (i) to (iii) of Clause 6.6, and such circumstances occur for a continuous period of at least 3 hours following notification to Concessionco by the Senior Trust Officer then the Performance Related Payment for that Service shall be adjusted in accordance with the following formula:

\[ R = \frac{j x n x d}{k} \]

Where:

"R" = the adjustment to the relevant Service Performance Related Payment with respect to that Month

"n" = the duration of the default in hours

"j" = the Service Performance Related Payment (except that with respect to the Catering Service "j" shall be the Catering Fixed Cost)

Self Help

27.20 If for any reason other than an Event of Force Majeure Concessionco

(a) is failing to perform substantially all of its obligations under any Service Level Specification; or

(b) fails immediately on receipt to comply with a notice properly given by the Trust under this Clause 27 to appoint or procure the appointment of a replacement Service Provider;

and in either case such failure has or will have an immediate and serious threat to the health and safety of a patient at the Facility, then the Trust shall be entitled, upon giving written notice of such intention to Concessionco's Representative, itself to perform or procure the performance of the Services so affected using all reasonable care and skill expected of a prudent NHS Trust until such time as:

(i) in the case of (a) above, Concessionco has given notice to the Trust's Representative that it is able immediately to resume the performance of such obligations; and

(ii) in the case of (b) above, Concessionco has procured the appointment of a suitable replacement Service Provider.

27.21 In any case where pursuant to Clause 27.20 the Trust shall itself perform or procure the performance of any Service, the following shall apply:

(a) for the period during which such Service was performed by the Trust pursuant to Clause 27.20 there shall be no adjustments to the Performance Related Payment for that Service with respect to the matters giving rise to the Trust performing or procuring the performance of that Service; and

(b) Concessionco shall reimburse the Trust its direct costs reasonably and necessarily incurred in performing such Service; and

(c) the Trust shall perform such Service with proper skill and care and in accordance with the relevant provisions of the Service Level Specifications; and

(d) the Trust shall indemnify and hold Concessionco harmless against all
actions, proceedings, costs, claims, demands, liabilities, losses and expenses incurred by Concessionco (other than loss of any profit which Concessionco would have earned had it been providing the Service or arising as a result of any breach by the Trust (or any person for whom the Trust is responsible) of any of its obligations under this Clause or as a consequence of performing or procuring the performance of any Service pursuant to this Clause.

27.22 Notwithstanding any term of Clause 27, the Trust shall not be entitled to make deductions in any Month in total greater than 100% of the Performance Related Payment which would otherwise have been payable in respect of that Month.

28. **BENCHMARKING**

28.1 Subject to Clause 28.4, not less than 3 months before each Benchmark Date, Concessionco shall give to the Trust notice of the amount which it proposes for the Performance Related Payment for all of the Services for the next 5 Year period.

28.2 Following the Trust's receipt of such notice, the parties shall as soon as practicable commence negotiations in good faith concerning such proposals and Concessionco shall, if so required by the Trust, carry out a benchmarking exercise concerning such proposals. Insofar as is reasonably practicable, such benchmarking exercise shall be on a like-for-like basis to reflect the quality and scope of the Services and the obligations undertaken by the Service Providers.

28.3 Where, pursuant to Clause 28.2, a benchmarking exercise is carried out Concessionco will undertake a comparison of its proposed Performance Related Payment with comparable services in the National Health Service or (if appropriate) elsewhere through liaison with other providers, trusts, benchmarking clubs and independent benchmarking agencies as may be agreed with the Trust. To be acceptable to the Trust, a benchmarking exercise in isolation must comply with all National Health Service guidelines and Legal Requirements in force from time to time which Legal Requirements, if inconsistent with the other provisions of this Clause 28, shall prevail.

28.4 Where the parties agree (within 20 Business Days of the first meeting for such purpose or such other period as the parties may agree) that the result of any such benchmarking exercise is conclusive it shall be final and binding on the parties and there shall be no right of reference to the Disputes Resolution Procedure. Where the parties fail to agree (within 20 Business Days of the first meeting for such purpose or such other period as the parties may agree) that the result of any such benchmarking exercise is conclusive the matter shall be determined by a Market Testing Exercise. With effect from the Benchmark Date the Performance Related Payment for the Services for the next period of 5 Years shall (subject to indexation pursuant to Clause 25.7) be the price ascertained, agreed or determined pursuant to this Clause (whether an increase or decrease from the previous price).

28.5 The provisions of this Clause shall have no application to the Estates and Maintenance Service.
28.6 Any benchmarking exercise carried out pursuant to this Clause 28 shall be deemed to take account of Changes in the Legal Requirements implemented within 12 Months of the date of the relevant benchmarking exercise, so that no Special Benchmarking Exercise pursuant to Clause 32.7 shall occur thereafter in respect of any such Change in the Legal Requirements arising from any Change in the Legal Requirements which were implemented within said 12 Months.

(b) subject to Clause 38.8 and 38.9 if (and to the extent that) any Service Provider shall make any claim covered by an indemnity given by Concessionco pursuant to paragraph (a) above, Concessionco shall be indemnified by the Trust in respect of such liability pursuant to the indemnities given above by the Trust in this Clause 29A and Concessionco shall be entitled to claim under such indemnities given by the Trust as if liability were originally incurred by Concessionco.

In such event:

(a) Concessionco shall use reasonable endeavours to procure that such employees are encouraged to transfer their employment to the Trust and/or the replacement service providers;

(d) the Trust shall indemnify Concessionco in the same terms as Clause 29A.2 mutatis mutandis in respect of the secondment of such employees to the Trust and/or the replacement service provider.

29A.9 Where Clause 29A.7 applies, and subject as hereafter provided Concessionco shall (save where the liability arises solely because the Trust is an emanation of the State) indemnify and keep indemnified the Trust against all actions, proceedings, claims, damages, demands, fines, expenses, legal remedies, compensation, court or tribunal orders, awards, costs and other liabilities whatsoever (any and all of which are referred to hereafter in this Clause 29A.9 as a "claim") in any way connected with or arising from or relating to the contract of employment or collective agreement of any person at any time employed by Concessionco or by any other Service Provider (including any matter relating to or arising out of Concessionco or other Service Provider's rights, powers, duties and/or liabilities connected with such contract of employment or collective agreement) made against the Trust at any time for breach of contract of employment or collective agreement, unfair dismissal, redundancy, sex, race or disability discrimination, equal pay, unlawful deductions, loss of earnings or otherwise relating to their employment by Concessionco or other Service Provider (and all costs and expenses thereof) which results or resulted from some act or omission which occurred while such person was employed by Concessionco or other Service Provider provided that such indemnity shall not extend to any claim made against the Trust later than 18 months after the end of the Contract Period or termination of the Agreement arising out of any allegation of sex, race or disability discrimination or any equal pay dispute.

(i) proposals for the design of the proposed Additional Work; and

(ii) proposals in respect of the proposed Additional Work as to the basis for compensation (which may include, without limitation an adjustment to the Total Payment, such adjustment to take effect from the 1st April following the proposed date of implementation of the proposed Additional Work, or, after using reasonable endeavours Concessionco is unable within 30 Business Days after receipt of the notice referred to in Clause 31.1(a) to secure sufficient additional funding on reasonable commercial terms, such
other basis of compensation as Concessionco may propose) in respect of the proposed Additional Work and such proposals shall reflect the anticipated costs (such costs to include without limitation any loss of revenues during the implementation of the proposed Additional Work and the anticipated cost of funding as appropriate which shall, while any monies under the Senior Loan Agreement are still outstanding, be paid over a period extending no longer than the final maturity of the senior loan made under the Senior Loan Agreement) reasonably and necessarily to be incurred by Concessionco in implementing the proposed Additional Work (with appropriate evidence where reasonably required by the Trust) and shall take account, inter alia, of the unexpired Contract Period; and

(iii) such other proposals (including amendments to the Project Agreements) as may in the reasonable opinion of Concessionco be necessary for the implementation of the proposed Additional Work or as a consequence thereof;

provided always that Concessionco shall only be entitled to decline to submit any such proposal where:- either the Trust is unable to demonstrate to Concessionco's reasonable satisfaction that it has the financial resources to fund the proposed Additional Work including evidence, where necessary, of the approval of the NHSiSME, the Scottish Ministers and the Treasury or Concessionco can demonstrate by notice to the reasonable satisfaction of the Trust that in its opinion:-

(i) it is not technically feasible or otherwise impractical; or

(ii) where the implementation of the Additional Work is dependent upon the issue of new or revised Necessary Consents which, Concessionco can demonstrate are unlikely to be obtained.

(iii) undertaking the Additional Work would be in breach of any Legal Requirement or Necessary Consent or would be a departure from good industry practice or unsafe to any personnel or equipment on the site or the operation of the Facility or any part of the Works; or

(iv) the Additional Work would prevent Concessionco from otherwise complying with the Building Specification; or

(v) if the Additional Work was implemented the function or design life of the Facility would be materially adversely affected; or

(vi) where Concessionco has not been able to secure funding therefor in terms of their respective obligations under this Clause 31; or

(vii) it increases the risk of an Area becoming Unavailable or of failing to comply with any Legal Requirement; or
(viii) the Additional Work comprises an increase in the size of the Facility, and a Partial Handback Variation has been previously effected in accordance with Clause 34.3; or

(ix) the Trust Variation, if implemented, would have an adverse effect on Concessionco's ability to meet its obligations under or in connection with the Project Agreements and/or the Senior Loan Agreement and/or the Subordinated Debt and/or any other Funding Agreement in a way that cannot be compensated for by a price adjustment.

In the event that the Trust's Representative questions such opinion or grounds the parties shall meet and acting in good faith shall use reasonable endeavours to reach agreement in relation thereto, failing which the matter may be referred to the Disputes Resolution Procedure; and provided further that the obligations of the Trust and Concessionco in relation to the proposed Additional Work shall be subject to the Legal Requirements applicable to the procurement of works and services.

(c) In the event that Concessionco's proposals submitted pursuant to Clause 31.1(b) are agreed then the Trust's Representative shall issue a Confirmed Variation Instruction in respect thereof and Concessionco shall give effect thereto and effect shall be given to the agreed basis of compensation in such manner as may be agreed between the Trust's Representative and Concessionco.

(d) If no agreement can be reached in relation to the proposals referred to in Clause 31.1(b) the parties shall meet and, acting in good faith, shall use reasonable endeavours to reach agreement in relation thereto failing which no Confirmed Variation Instruction shall be issued by the Trust's Representative in respect thereof and the provisions of Clause 31.1(e) shall take effect.

(e) If in any such case either such proposals are not submitted and Concessionco serves notice under the proviso to Clause 31.1(b) or a Confirmed Variation Instruction is not issued within 20 Business Days of submission of proposals by Concessionco pursuant to Clause 31.1(b):

(i) Concessionco shall submit to the Trust's Representative details of the costs reasonably and necessarily incurred by Concessionco in preparing its proposals, if any, pursuant to Clause 31.1(b) and the Trust shall pay such costs to Concessionco (in such manner as the parties may agree, including without limitation an adjustment to the Total Payment or, failing such agreement, upon submission by Concessionco of such details and Concessionco's invoice, in accordance with Clause 25.4); and

(ii) the Trust may itself undertake (or procure) the proposed Additional Work and shall indemnify Concessionco against any actions, proceedings, claims, demands, loss, damage, cost, liability and/or
expense incurred by Concessionco (other than loss of any profit which Concessionco would have earned had it been appointed by the Trust in respect of such Additional Work) in respect of or as a result of such Additional Work and/or its implementation.

31.2 If the Trust's Representative issues notice of proposed Additional Work pursuant to Clause 31.1(a) no work pursuant to such proposal shall be commenced until such time as the Trust's Representative issues a Confirmed Variation Instruction and unless and until all Necessary Consents have been obtained.

31.3 Any compensation or adjustment to the Total Payment to be made pursuant to Additional Work proposed by the Trust in accordance with this Clause 31 shall be calculated in accordance with the provisions of Part 24 of the Schedule.

32 VARIATIONS - PHASE II - CHANGES IN LEGAL REQUIREMENTS

32.1 In the event of a Change in the Legal Requirements which renders or will render the performance of any obligation to be performed by Concessionco during Phase II more or less costly and/or will require Additional Work to be carried out at the Site during Phase II and/or will have the effect of increasing or reducing the amount of the Total Payment otherwise payable, the following provisions shall apply.

32.2 Where any Change in the Legal Requirements:

(a) is enacted or otherwise takes effect before or within the period of twelve Months after the or within the period of twelve Months after any Benchmark Date (in relation to those Services which are subject to the provisions of Clause 28) or within the period of twelve Months after the date of implementation of the results of any Special Benchmarking Exercise (in relation to any Services) as the case may be (other than a Qualifying Change); or

(b) is a change in Corporate Tax Legislation (other than a Qualifying Change); or

(c) is a change in Environmental Legislation (other than a Qualifying Change) bringing about a requirement for Additional Work to be carried out at the Site coming into effect within 5 Years from the Services Commencement Date; or

(d) is a change in Health and Safety Legislation (other than a Qualifying Change) bringing about a requirement for Additional Work to be carried out at the Site coming into effect within 5 Years from the Services Commencement Date;

but in the case of (c) and (d) above, only to the extent that the aggregate and cumulative Cost to implement any such change or changes in Environmental Legislation or Health and Safety Legislation in such 5 Year period does not exceed a total of £200,000 (in prices as at the Services Commencement Date and
thereafter increased or decreased in accordance with the GDP Deflator to the date of implementation of the Change), Concessionco shall comply with such Change in the Legal Requirements at its own expense and shall not be entitled to any extension of the Contract Period nor any compensation from the Trust in respect thereof. Any excess over such total shall be borne by the Trust in accordance with the provisions of Clause 32.3.

32.3 Where there is a Relevant Change in the Legal Requirements the Trust shall compensate Concessionco or adjust the Performance Related Payment (as applicable) in respect thereof in accordance with this Clause 32. Concessionco and the Trust's Representative shall forthwith meet in good faith and use reasonable endeavours to agree the necessary and appropriate steps to be taken by Concessionco in order to give effect to such Change in the Legal Requirements and the parties shall follow the procedures in Clause 32.4 to 32.8, as applicable.

32.4 Where a Relevant Change in the Legal Requirements constitutes a Qualifying Change (or does not constitute a Qualifying Change but will require Additional Work to be carried out at the Site during Phase II) Concessionco shall, acting reasonably and in good faith, submit to the Trust's Representative:

(a) proposals as to the steps necessary in order to comply with the Relevant Change in the Legal Requirements;

(b) proposals in respect of the Relevant Change in the Legal Requirements as to the basis for compensation (including without limitation an adjustment to the Total Payment, such adjustment to take effect from the 1st April following the date on which the Relevant Change in the Legal Requirements took effect or, if after using reasonable endeavours, Concessionco is unable within 30 Business Days of the first meeting convened pursuant to Clause 32.3 to secure sufficient additional funding on reasonable commercial terms, such other basis of compensation as Concessionco may propose) in respect of the Change in the Legal Requirements and such proposals shall reflect the anticipated costs (such costs to include without limitation any loss of revenues during or arising as a consequence of the implementation of the proposed Additional Work and the anticipated cost of funding as appropriate which shall, while any monies under the Senior Loan Agreement are still outstanding, be paid over a period extending no longer than the final maturity of the senior loan made under the Senior Loan Agreement) reasonably and necessarily to be incurred by Concessionco over the unexpired Contract Period in complying with the Relevant Change in the Legal Requirements, provided that no such adjustment shall be made to the Total Payment nor to any other form of compensation payable to Concessionco to the extent that such costs are absorbed by any indexation increase in the Performance Related Payment provided by this Agreement, or by provision made by Concessionco in relation to Planned Preventative Maintenance; and

(c) such other proposals (including without limitation amendments to the Project Agreements) as may in the reasonable opinion of Concessionco be necessary in respect of or as a consequence of the Relevant Change in the
Legal Requirements.

Provided always that:

(i) without prejudice to its obligations under Clause 6.1 (Assistance and Co-operation), Concessionco shall when considering such proposals use all reasonable endeavours to identify means of complying with such Relevant Change in the Legal Requirements referred to in Clause 32.3 at no additional cost to the Trust and shall review its operating practices and staffing levels and implement any changes to them which can be implemented reasonably practicably;

(ii) where such Relevant Change in the Legal Requirements referred to in Clause 32.3;

(A) will require Additional Work to be carried out in Phase II and as a result of such Additional Work the cost reasonably and necessarily incurred by Concessionco in the performance of any Service is or will be reduced; or

(B) is a Qualifying Change not involving Additional Work, then the Trust may at any time in the case of such Additional Work after its completion but prior to the date which is 3 months before the next Benchmark Date after its completion or, in the case of a Qualifying Change not involving Additional Work, prior to the date which is 3 months before the next Benchmark Date, require a Special Benchmarking Exercise to be carried out in relation to such Service pursuant to Clause 32.9.

32.5 In the event that Concessionco's proposals submitted pursuant to Clause 32.4 are agreed then the Trust's Representative shall issue a written confirmation in respect thereof and Concessionco shall give effect thereto. If in relation to any matter referred to in Clause 32.4 the parties fail to reach agreement within 20 Business Days of the first meeting of the parties for such purpose or within such other period as the parties may agree including without limitation regarding the amount of compensation payable by the Trust to Concessionco in respect of the Change in the Legal Requirements then either party may at any time refer such dispute to the Disputes Resolution Procedure for determination on the basis set out in Clause 32.6.

32.6 The financial compensation in respect of a Relevant Change in the Legal Requirements payable by the Trust to Concessionco pursuant to this Clause 32 shall include:

(i) all the anticipated costs (such costs to include without limitation any loss of revenues during the implementation of any proposed Additional Work and (without prejudice to (ii) below) the anticipated costs of funding as appropriate which shall, while any monies under the Senior Loan
Agreement are still outstanding, be paid over a period extending no longer than the final maturity of the senior loan made under the Senior Loan Agreement) reasonably and necessarily to be incurred by Concessionco over the unexpired Contract Period in complying with the Relevant Change in the Legal Requirements (to the extent that such costs are not absorbed by any indexation increase in the Performance Related Payment or by provision made by Concessionco in relation to Planned Preventative Maintenance); and

(ii) if, after using reasonable endeavours, Concessionco is unable within 30 Business Days of the first meeting convened pursuant to Clause 32.3 to secure sufficient additional funding on reasonable commercial terms, such funding from the Trust as would fully reimburse Concessionco in respect of any capital expenditure (as such term is interpreted in accordance with generally accepted accounting principles in the United Kingdom from time to time) incurred by virtue of any Qualifying Change or Additional Work, against invoices (submitted in accordance with Clause 25.4 (Payment)) in respect of those parts of the obligations to be performed by Concessionco as a consequence of any Qualifying Change or Additional Work requiring capital expenditure which have been completed.

32.7 Where a Relevant Change in the Legal Requirements does not constitute a Qualifying Change and/or will not require Additional Work to be carried out at the Site during Phase II Concessionco shall, acting reasonably and in good faith, submit to the Trust's Representative:

(a) proposals (including without limitation amendments to the Project Agreements) as to the steps necessary in order to comply with such Change in the Legal Requirements;

(b) such other proposals as may in the reasonable opinion of Concessionco be necessary in respect of or as a consequence of such Change in the Legal Requirements; and

(c) proposals for a Special Benchmarking Exercise to be carried out.

Provided always that, without prejudice to its obligations under Clause 6.1, Concessionco shall when considering such proposals use all reasonable endeavours to identify means of complying with such Change in the Legal Requirements at no additional cost to the Trust and shall review its operating practices and staffing levels and implement any changes to them which can be implemented reasonably practicably.

32.8 In the event that Concessionco's proposals submitted pursuant to Clause 32.7 are agreed then the Trust's Representative shall issue a written confirmation in respect thereof and Concessionco shall give effect thereto. If in relation to any of the matters referred to in Clause 32.7 the parties fail to reach agreement within 20 Business Days of the first meeting of the parties for such purpose or such other period as the parties may agree then either party may at any time refer such dispute to the Disputes Resolution Procedure for determination on the basis that
the proposals do not comply with such Change in the Legal Requirements and/or the provisions of Clauses 32.7 and 32.9(a).

32.9(a) Where pursuant to Clause 32.8 or proviso (ii) to Clause 32.4 a Special Benchmarking Exercise is to be conducted, such exercise shall be a benchmarking exercise carried out no earlier than six months after the date on which the relevant Change in the Legal Requirements became effective but shall be carried out otherwise subject to and in accordance with the provisions of Clause 28 (except that for the purposes of this Clause, such benchmarking exercise may include benchmarking of the Estates and Maintenance Service where the Relevant Change in the Legal Requirements impacts on the provision of the Estates and Maintenance Service) and the parties shall give effect to the result of such benchmarking exercise by an adjustment to the Total Payment.

(b) No compensation shall be payable (nor any adjustment to the Total Payment be made) in respect of the costs associated with such change until 1st April of the Year following the Special Benchmarking Exercise implemented under Clause 32.9(a).

(c) Notwithstanding the provisions of this clause, no Special Benchmarking Exercise shall be carried out prior to the date which is 5 Years after the date of this Agreement.

33 VARIATIONS

PHASE II - EXTENSIONS TO CONTRACT PERIOD

33.1 If at any time during Phase II any of the following shall occur

(a) any accidental loss or damage to the Site or the Facility or any roads or services serving the same;

(b) any failure, shortage of power, fuel or transport provided the same is not due to any deliberate or negligent act or omission on the part of Concessionco;

(c) the effects of weather, flood, drought, tempest, corrosion, earthquake, lightning or volcanic eruption or any direct consequence of such occurrence;

(d) the effects of fire, explosion or ionising radiation;

(e) subject to Clause 39 (Force Majeure), an Event of Force Majeure;

(f) any civil disorder, civil disturbance, riot, blockade or embargo (and which does not constitute an Event of Force Majeure);

(g) any official or unofficial strike, lockout, go slow or other labour dispute which does not apply only to Concessionco and/or any Service Provider; or
(h) any act, omission or default by a statutory undertaker;

and such occurrence makes the whole or part of the Facility unavailable for its
normal use or inaccessible. Concessionco shall be entitled to apply for an
extension to the Contract Period. If Concessionco wishes to apply for an
extension then it shall give notice in writing to the Trust requesting the same as
soon as reasonably practicable after the occurrence of any of the above events, and
thereafter shall provide to the Trust within twenty eight days such information as
the Trust shall reasonably require to verify the same. The parties shall meet as
soon as reasonably practicable after such occurrence in good faith and shall use all
reasonable endeavours to agree such extension (if any) to the Contract Period as
may be reasonable and appropriate in all the circumstances (and taking into
account any insurance proceeds under any insurance to be taken out and
maintained by Concessionco pursuant to the Agreement received by
Concessionco or such proceeds as would have been received by Concessionco
save for the fact that Concessionco did not make a claim under any insurance
policy (other than where the Trust and Concessionco agree that a claim should
not be made) and/or any such claim has been refused on the basis that
Concessionco knowingly violated the policy as between Concessionco and the
insurer to place Concessionco, so far as practicable, in the same financial position
in which it would have been but for such occurrence and failing such agreement
such matters will be referred to the Disputes Resolution Procedure. The parties
agree to use all reasonable endeavours to mitigate the effects of such occurrence
so that any such extension may be minimised. The parties shall enter into
minutes of extension of the Lease and the Sub-Lease for the period of the
extension so agreed or determined.

33.2 During such time as the effects of any occurrence referred to in Clause 33.1(a) to
(h) are continuing, or Concessionco is taking action to replace or
otherwise replace any assets damaged by any such events, Concessionco shall not
be obliged to perform any obligation hereunder which it is unable to perform as a
result of such effects or the taking of such action.

34 VARIATIONS

PHASE II - REDUCTION IN SIZE OF THE FACILITY

34.1 In the event of a proposed Trust Change or a Change in the Legal Requirements at
any time during Phase II which will or may necessitate a reduction in the size of
the Facility and/or a reduction in the volume or scope of any Service the Trust
shall give Concessionco not less than 6 months notice thereof. For the avoidance
of doubt, no adjustment to the Availability Payment shall be made pursuant to any
 provision of this Agreement in respect of any such reduction in the size of the
Facility and/or reduction in the volume or scope of any Service except as
otherwise provided in this Clause 34.

34.2 The Trust may at any time after the eighth anniversary of the Services
Commencement Date give notice ("Partial Handback Notice") to requesting a
Partial Handback Variation, such Partial Handback Notice to specify:
(a) by reference to a plan, the area of the Facility which is the subject of the Partial Handback Variation ("Handback Area"); and

(b) the date upon which the Partial Handback Variation is to become effective, being no shorter than 24 months after the date of service of the Partial Handback Notice.

Notice of Refusal

34.3 Without prejudice to Clause 3.14 of the Lenders Direct Agreement within 60 Business Days after the giving of the Partial Handback Notice, Concessionco shall be entitled to refuse to implement the Partial Handback Variation, by notice to the Trust, on the grounds that:

(a) the Handback Area is physically configured such that it is not capable of being, or is not suitable to be separately let to a third party whether as a whole or in parts;

(b) the Handback Area is greater than 10% of the Original Area;

(c) a Partial Handback Variation has previously been effected.

No Refusal

34.4 Without prejudice to Clause 3.13 of the Lenders Direct Agreement if Concessionco does not give notice under (and within the period specified in) Clause 34.3 or if it is agreed or determined pursuant to Clause 34.5 that Concessionco has no grounds for refusal in terms of Clause 34.3 then the Partial Handback Variation will, subject to the Trust giving a Partial Handback Confirmation Notice to Concessionco, be implemented in accordance with Clause 34.9.

Refusal of Variation

34.5 If Concessionco refuses to implement the Partial Handback Variation in accordance with Clause 34.3 then in its notice Concessionco shall specify the grounds for such refusal. Concessionco shall, at the request of the Trust provide such further assessments or information as the Trust may reasonably require to determine whether Concessionco may object on these grounds.

34.6 If the Trust does not accept a ground specified in a notice given by Concessionco under Clause 34.3 and no agreement is reached with Concessionco as to the implementation of the Partial Handback Variation within a period of 20 Business Days after the giving of such notice, then either Concessionco or the Trust may refer the matter to the Disputes Resolution Procedure.

34.7 If Concessionco's refusal is upheld under the Disputes Resolution Procedure, then the request for the Partial Handback Variation shall be deemed to be withdrawn.
Withdrawal of Request

34.8 The Trust may withdraw the request for a Partial Handback Variation at any time prior to giving Concessionco a Partial Handback Confirmation Notice. In the case of a withdrawal (or a deemed withdrawal under Clause 34.7) Concessionco shall be entitled to be paid the reasonable costs and expenses incurred by it in satisfying its obligations under this Clause 34 in relation to the proposed Partial Handback Variation.

Implementation

34.9 If the Trust gives a Partial Handback Confirmation Notice, the Partial Handback Variation will be implemented on the date specified in the Partial Handback Notice; and

(a) Concessionco may use the Handback Area whether by itself or through a third party for any purpose and will give the Trust details of:

(i) the party who is to use and occupy the Handback Area;

(ii) the proposed use of the Handback Area; and

(iii) the terms of such use and occupation, whether a sub-lease is to be granted; and

(b) the parties will enter into such documents as are necessary to give effect to the Partial Handback Variation and Concessionco’s proposal for use of the Handback Area, including a partial renunciation of the Sublease quoad the Handback Area and the amendment of the Sublease to provide for any necessary rights and reservations in relation to any areas or equipment common to the Handback Area and the remainder of the Facility.

Payment Adjustment Provisions

34.10 Without prejudice to Clause 3.14 of the Lenders Direct Agreement, if the Partial Handback Variation is implemented following the Trust giving a Partial Handback Confirmation Notice, then from the date of implementation of the Partial Handback Variation until the expiry of the Contract Period there will be a reduction in the Availability Payment by an amount equal to \( x \% \) where:

\[
x = \frac{a}{b}
\]

and \( a \) = the area (expressed in square metres of Net Internal Area) of the Handback Area;

\( b \) = the area (expressed in square metres of Net Internal Area) of the Facility immediately prior to the day of implementation of the Partial Handback Variation measured on the same basis as the Original Area.
34.11 The Trust acknowledge that, notwithstanding any other provision of the Agreement, it will not, following implementation of a Partial Handback Variation, be entitled to request or require any increase in the size of the Facility.

35 WARRANTIES AND UNDERTAKINGS

35.1 Each party has entered into this Agreement in reliance on the representations of the other party set out in Part 19 of the Schedule and each party warrants to the other at the date of this Agreement and at the Date of Possession that the Warranties and undertakings set out in Part 19 of the Schedule are true and accurate in all respects.

35.2 Each of the Warranties is a separate and independent warranty and without prejudice to any other Warranty.

35.3 No claim or claims may be brought alleging any breach of Warranty by either party unless the value of any such claim exceeds £50,000 or the total value in aggregate of all such claims exceeds £50,000 in which case the whole and not merely the excess is payable.

35.4 The total potential liability of both parties in respect of all alleged breaches of Warranties hereunder (other than alleged breaches of the Warranties set out in paragraph 3 of Part 19 of the Schedule in respect of which the liability of the Trust shall be unlimited) shall be limited to ONE MILLION POUNDS (£1,000,000) in aggregate.

35.5 No action alleging a breach of any of the Warranties shall be commenced later than 2 Years from the Services Commencement Date or 5 Years from the Date of Possession, whichever shall be later (other than an action alleging a breach of any of the Warranties set out in paragraph 1 of Part 19 of the Schedule in respect of which no such action shall be commenced later than 12 Years from the Date of Possession and paragraph 3 in respect of which no such limitation shall apply).

36 TRANSFER OF SHARES

36.1 Subject to the creation, transfer or enforcement of any security in favour of the Lenders over the share capital of Concessionco, Concessionco agrees that no transfer of any of those shares in Concessionco which at the date of transfer are not fully paid up (or credited as fully paid up) shall take place (save that this Clause shall not apply to transfers of shares by any shareholder, to any of its subsidiaries or associates).

36.2 Concessionco shall procure a letter of undertaking to comply with this Clause mutatis mutandis from Tarmac Construction (PFI) Limited and UME Investment Co. Limited for their respective investments in Town Hospitals (Southern General) Holdings Limited.

36.3 For the avoidance of doubt all the provisions of this Clause 36 relating to transfer of shares apply with equal effect where the proposed transferee is a shareholder or
participant in Concessionco and where the proposed transferee is not such a shareholder or participant.

37 INSURANCE

37.1 During Phase I and Phase II Concessionco shall maintain or cause to be maintained the insurance policies listed in Part 15 of the Schedule A and Part B provided always that such cover remains available to Concessionco from insurers of repute on commercially acceptable terms. During Phase I and Phase II the Trust shall maintain or cause to be maintained the insurance policies listed in Part 15 of the Schedule Part C and Part D provided always that such cover remains available to the Trust from insurers of repute on commercially acceptable terms.

37.2 The insurance polices listed in Part 15 of the Schedule shall be maintained in the joint names of the insured parties named therein, such that each party is insured for its respective rights and interests.

37.3 Without prejudice to Clause 37.1 and subject to Clause 37.8, each party agrees that during the Contract Period it will maintain or cause to be maintained such insurance policies against such risks and for such amounts of cover as more particularly set out in the applicable parts of Part 15 of the Schedule (or such greater amount of cover as the other party may reasonably require by notice in writing to the other).

37.4 In the event that Losses Occurring Insurance is no longer available from insurers of repute at commercially acceptable terms and wherever there is a risk that a claim may be made after the end of the Contract Period or prior termination for whatever reason but relating to circumstances arising during the Contract Period the policies to be maintained by Concessionco as listed in Part 15 of the Schedule Part 1 and Part 2 (responsibility for placement and maintenance of which policies to revert back to the Trust upon such termination) shall provide cover for at least eight Years in the joint names of both parties for their liabilities and responsibilities arising out of the Contract Period or where longer any period during which a Claimant (which may comprise either party) may claim as a result of circumstances arising during the Contract Period after the end of the Contract Period.

37.5 Each party shall upon request of the other party at any reasonable time produce to that party evidence that the applicable insurance policies referred to above are in full force and effect. Each party shall as soon as is reasonably practicable, provide the other party with copies of the policy documents or equivalent documentation as regards the insurances specified in Parts C and D of part 15 of the Schedule and any endorsement or other document amending the terms of such insurances.

37.6 (a) Subject to the Lenders Direct Agreement, each of the parties agrees that:

(i) in respect of material damage cover (which is not Major Damage as defined in this clause) it shall forthwith upon receipt of the proceeds of any insurance claim cause the proceeds to be paid out in repairing, replacing, reinstating or recovering or otherwise
remedying the items damaged by any insured risk in respect of which such claim shall have been paid or if such repair, reinstatement, renewal or remedy shall have been performed by the other party to pay the proceeds of such claim over to the other party.

(ii) in respect of Major Damage the following shall apply:

(A) in the event that the Trust can produce to Concessionco within a period of 2 Months of the Major Damage occurring a Health and Economic Viability Case the proceeds of any insurance claim shall be paid out as in sub clause (a) (i) above as if the damage to which the insurance proceeds are applied were not Major Damage.

(B) in the event that within the said period the Trust does not produce a Health and Economic Viability Case or the Trust notifies Concessionco that it does not intend to produce a Health and Economic Viability Case this Agreement shall forthwith terminate and the provisions of Clause 46 (Consequences of Termination without default) will apply (as if the same were a termination following an Event of Force Majeure) save that the amount of the proceeds of the insurance claim against the policies set out in Part A, Section 1.1 and Part B, Section 2.1 of Part 15 of the Schedule paid to Concessionco will be deducted from any sums payable by the Trust under Clause 46.1 of this Agreement and if the amount of such proceeds exceeds the amounts so payable the balance shall be paid to the Trust.

(C) Subject to Clause 10.5 of the Lenders Direct Agreement the Trust shall indemnify Concessionco in respect of all sums becoming due to Lenders within the 2 Month period referred to in (A) above.

(b) If the proceeds of any insurance claim for Major Damage are applied as indicated in Clause 37.6(a)(ii)(A) and the Trust wishes the Facility to be reinstated or repaired with modifications to the specification of the Facility as it was immediately prior to the Major Damage occurring, the modifications shall constitute Additional Work under Clause 31 (Variations - Additional Work -Hospital) of this Agreement and the terms of Clause 31 shall be implemented in respect thereof (and to the extent that such modifications result in any change in or relating to the Services, the provisions of Clause 30 (Variations - Trust Changes - Services) shall also be implemented in respect thereof) save that the basis of compensation payable by the Trust thereunder to Concessionco shall take no account of those costs of such Additional Work which can be paid (after payment for all works associated with the repair of the Major Damage which do not form part of the Additional Work) from the proceeds of the insurance claim paid to Concessionco or to the Lenders (or their agent). In the event
of any dispute as to whether or the extent as to whether such Additional Work can be paid from the proceeds of the insurance claim the matter will be referred to the Disputes Resolution Procedure.

(c) For the purposes of this clause the following terms have the following meanings:

(i) "Major Damage" means damage to the Facility where the cost of reinstatement as new or repair exceeds 50% of the maximum sum which would be paid by the Trust under Clause 46.1 (Consequences of Termination without default).

(ii) "Health and Economic Viability Case" means a case made by the Trust and accepted in writing by the Greater Glasgow Health Board or other purchaser for the time being of the Trust's healthcare services, NHSiSME and the Scottish Ministers that the proceeds of the insurance claim should be applied to reinstatement or repair of the Major Damage on the grounds of the healthcare needs of the area and that the availability of the Facility to the Trust remains affordable following the Major Damage being reinstated or repaired.

37.7 The Trust and Concessionaire agree to consult fully with each other in devising and implementing a cost effective insurance programme.

37.8 Without prejudice to Clause 37.1, Concessionaire shall procure that the insurances referred to in Parts A and B of Part 15 of the Schedule.

(a) are effected on the terms required by this Clause 37, except that if insurance on those terms is not available from insurers of repute at commercially acceptable terms and with the prior written consent of the Trust, insurances may be effected on alternative terms agreed in writing by the Trust such agreement not to be unreasonably withheld or delayed (after consultation with the Insurance Adviser) subject to the requirement that Concessionaire will approach the insurance market every three months to check whether any of the terms not included in those insurances have become available from insurers of repute at commercially reasonable rates and provide the Trust and the Insurance Adviser with information on the position in the market and shall, if so required by the Trust, forthwith effect revised insurances;

(b) include only such provision for self insurance by way of a deductible at a level no higher than those specified in Part 15 of the Schedule and include the exclusions specified in Part 15 of the Schedule and such other exclusions normal to that type of policy as may be reasonably acceptable to the Trust;

(c) are placed with insurers who are acceptable to the Trust, such acceptance not to be unreasonably withheld or delayed;
(d) in respect of delay in completion or business interruption, are increased from time to time to such amounts as to adequately cover the losses likely to flow from such events as outlined in Parts A and B of Part 15 of the Schedule;

(e) are otherwise increased from time to time to such amounts as would be effected by a reasonable and prudent operator (save for the provision of clinical services) of a hospital of the size of and with characteristics comparable to the Facility which does not self insure (except by means of minimum deductibles required by insurers generally), except to the extent that the Trust otherwise agrees;

(f) shall contain no material reductions in limits or coverage (including those resulting from extensions) or increases in deductibles, exclusions or exceptions or other amendments to policy terms other than as required by insurers or otherwise than in accordance with and subject to this Clause 37 and Part A and B of Part 15 of the Schedule, without the written consent of the Trust. Such consent not to be unreasonably withheld or delayed.

this Agreement (the first instalment to be paid on the date which is six months after that date and the remaining instalments being paid on dates falling on six monthly intervals thereafter) and ending on the same date as the scheduled final maturity of the senior loan made under the Senior Loan Agreement (the last instalment to be paid on such scheduled final maturity date) together with interest accruing between the date of termination and the date of payment on the outstanding amount of such sum from time to time (after as well as before judgment) at a rate per annum equal to LIBOR plus the Applicable Margin, such interest to be paid at the time of payment provided that if any instalment is not paid when due pursuant to this Clause 47.1, default interest shall be payable pursuant to Clause 25.9 and Concessionco shall have the right to accelerate all outstanding instalments which shall immediately become due and payable and if not then paid shall also attract default interest pursuant to Clause 25.9 in addition to the interest determined pursuant to this Clause 47.

(a) amounts equal to the aggregate of the Availability Payments which would have been payable under this Agreement (taking into account, for the avoidance of doubt, any increase or reduction pursuant to Clause 25.7 (Payment)) until the first date on which the Trust would have been entitled to exercise its option to terminate this Agreement pursuant to Clause 54 (Option to Terminate), such payments to be made on the dates and otherwise in accordance with, Clauses 25.3 and 25.9 and on the assumption that Concessionco had performed its obligations under this Agreement in full and without any adjustment under Clause 26 (Availability), less

(iv) in the case of each Month from the termination date until the first date on which the Trust would have been entitled to exercise its option to terminate this Agreement pursuant to Clause 54 (Option to Terminate), any additional costs reasonably and properly incurred by the Trust in providing the Service to be provided under the Estates and Maintenance Service Level Specification in excess of the Performance Related Payments which would have been payable during such period for such Services assuming they had been payable in full;

(v) in the case of each Month from the termination date until the first date on which the Trust would have been entitled to exercise its option to terminate this Agreement pursuant to Clause 54 any costs reasonably and properly incurred by the Trust in respect of Planned Preventative Maintenance; and

(vi) a monthly amount of £3334 (such amount to be increased or reduced in accordance with any increase or reduction in GDP Deflator between 1 April 1998 and the date of payment) being the amount of Concessionco's management costs included within the monthly Availability Payments.

The calculation of any amount pursuant to this Clause 47.2, if not agreed between the Trust and Concessionco within 30 days of the date of termination, shall be determined by an Expert (on the application of either party) in accordance with Clause 50.3 (Determination by Expert). If any instalment payable under this Clause 47.2 is not paid when due pursuant to this Clause 47.2, default interest shall be payable pursuant to Clause 25.9 (Payment) and Concessionco shall have the right to accelerate all outstanding instalments which shall immediately become due and payable and if not then paid shall also attract default interest pursuant to Clause 25.9 in addition to the interest determined pursuant to this Clause 47.

47.3 Subject to the terms of the Lenders Direct Agreement, without prejudice to Clause 47.1 or Clause 47.2 and whether the Trust terminates this Agreement prior to or on or after Completion, each party shall pay to the other any amounts (other than in respect of the Availability Payment or the Performance Related Payment or amounts payable pursuant to Clause 24 (Energy and Business Rates)) payable (and not then paid) under this Agreement in respect of the period prior to the date of termination (which, for the avoidance of doubt, shall not entitle the Trust to set-off any amounts owing from Concessionco under this Clause 47.3 from the payment to be made to Concessionco pursuant to Clause 47.1 or Clause 47.2).
which payment shall be paid within 60 days of the date of termination of this Agreement or, if later, the date such amounts become payable.

47.4 The amounts payable under Clause 47.2 will be paid monthly (the first such payment to be due and payable in accordance with Clause 25.4 (Payment in the Month after the date of termination) in accordance with Clause 25.4 until the first date on which the Trust would have been entitled to exercise its option to terminate this Agreement pursuant to Clause 54 or, if a lesser amount is payable thereby, until such time as the "Compensation Amount" (as defined below) has been paid. The Compensation Amount shall be determined as of the date of termination and shall equal the lesser of:

(a) the aggregate of all outstanding amounts (including interest which accrues up to and including the date of termination of this Agreement and including breakage costs but excluding such breakage costs as relate to any interest rate swap entered into in substitution for the Interest Rate Cap (as specified in Part 18 of the Schedule) or as part of a hedging product envisaged under the terms of that Part of the Schedule) owing by Concessionco under the Funding Agreements at the date of termination of this Agreement (whether due for payment then or later) or which arise from such termination,

less the amount of any Receivables owing (whether due for payment then or later) to Concessionco (or to any other person for the account of Concessionco) at the date on which notice to terminate this Agreement is given by the Trust, to the extent that such Receivables are not used by Concessionco to discharge any obligation under the Funding Agreements between the date on which notice to terminate this Agreement is given by the Trust and the date of termination of this Agreement; and

(b) an amount calculated in accordance with the table set out at Part 18 of the Schedule, as amended pursuant hereto, less the amount of any such Receivables as are referred to in (a) above. 47.5 If at the date of termination or at any subsequent date the Trust wishes to pay the compensation determined in accordance with Clauses 49.2 and 49.4 in the form of a lump sum, the lump sum amount shall be the lower of:

Philm/tarmac/draft9backup
(a) the net present value as at the date of payment of the amounts referred to in Clause 47.2, using the sum of LIBOR plus the Applicable Margin as the discount factor for such calculation; and

(b) the Compensation Amount.

For the purposes of this Clause 47.5, LIBOR shall mean the average of the six month London Inter bank Offered Rate for each period from (and including) the date of calculation to (and including) the last period for which such compensation would be payable as forecast by an expert appointed for this purpose as agreed jointly by the Trust and Concessionco or, in the absence of any such agreement, as appointed, on the application of either party, by the Chairman of the British Bankers Association. If the Chairman of the British Bankers Association declines or fails to make such appointment within 20 Business Days of being asked to make such appointment the issue of the relevant forecast for LIBOR shall be treated as a dispute and referred to the Disputes Resolution Procedure.

47.6 The Compensation Amount calculated in accordance with Clauses 47.4(a) and (b) shall accrue interest from time to time at a rate equal to LIBOR plus the Applicable Margin from the date of termination until the date of payment (after as well as before judgement).

47.7 If the Trust terminates this Agreement pursuant to Clause 60 (Corrupt Gifts and Payment of Commission) then the Trust shall pay to Concessionco compensation calculated in accordance with Clause 47.1 or Clause 47.2 PROVIDED ALWAYS that the amount payable shall not be less than an amount equal to all outstanding amounts (including interest accruing up to and including the date of termination of this Agreement and including breakage costs) owing by Concessionco under the Funding Agreements at the date of termination of this Agreement (whether due for payment then or later) or which arise as a result of or in connection with such termination but in no event shall such amount be greater than the Compensation Amount (as detailed in Clause 47.4).

48 MISCELLANEOUS CONSEQUENCES OF TERMINATION

48.1 Subject to Clause 44 (Survival of Rights), the rights of the parties expressly provided by this Agreement to terminate this Agreement and in relation to the calculation and foregoing of any amount, payable in consequence of any such termination are exclusive and are in place of (and not cumulative until and each of the parties hereby waives all other rights of termination or payment consequential thereon, whether express or implied, arising by common law. (including without limitation any rights in delict which shall include without limitation actions brought in negligence) by statute or otherwise howsoever.

48.2A Where:

(a) a lump sum payment (except a lump sum payment made pursuant to Clause 47, in which case Clause 48.2B below shall apply) is made in a single amount or pursuant to Clause 46.3 in instalments or is due to Concessionco pursuant to this Agreement; and

Philm/tarmac/draft9backup
(b) Concessionco has or will have an increased tax liability by reason of such payment (taking into account any tax liability which would have been paid by Concessionco had Concessionco continued to receive the Availability Payment rather than the lump sum payment or instalments pursuant to paragraph (a) above),

then the amount of such payment shall be increased to the extent necessary to ensure that after taking into account such increased tax liability, Concessionco receives a net sum equal to the amount it would otherwise have received in the absence of any such increased liability to tax.

Concessionco shall provide to the Trust such evidence as the Trust may reasonably require regarding the existence or extent of such increased liability to tax.

48.2B Where:

(a) a payment is made pursuant to Clause 47 of this Agreement; and

(b) Concessionco has or will have an increased tax liability by reason of such payment (taking into account any tax liability which would have been paid by Concessionco had Concessionco continued to receive the Availability Payment rather than the lump sum payment or instalments pursuant to paragraph (a) above),

then the amount of such payment shall be increased to the extent necessary to ensure that after taking into account such increased tax liability (such tax liability being determined on the assumption that (so far as not required by applicable legislation to do otherwise) Concessionco fully utilises any tax reliefs (other than the surrender of group relief by a shareholder to Concessionco pursuant to Chapter IV of Part X of the Income and Corporation Taxes Act 1988) which are available to it to offset all or part of the relevant increased tax liability but to the extent only that to so utilise any relief would not result in Concessionco becoming liable to make an actual payment of taxation in the accounting period in which the termination payment is made) Concessionco receives a net sum equal to the net amount which it would otherwise have received pursuant to such Clause in the absence of any such increased liability to tax. Concessionco shall provide to the Trust such evidence as the Trust may reasonably require regarding the existence or extent of such increased liability to tax.

48.2C All sums payable by the Trust in instalments pursuant to Clause 47.1 or by way of monthly payments pursuant to Clauses 47.2 or 47.4 shall be paid free and clear of all deductions or withholding whatsoever for or on account of taxation save only as required by law. If any such deduction or withholding is required by law, the Trust shall be obliged to pay to Concessionco such sums as will after such deduction or withholding has been made leave Concessionco with the same amount it would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.
48.2D If:

(i) the Trust makes a payment of an increased amount to Concessionco pursuant to Clause 48.2C (for the purposes of this Clause 48.2D, a "Tax Payment"); and

(ii) Concessionco receives or obtains a refund of tax or obtains and uses a credit against any tax which it is able to identify as attributable to that Tax Payment (for the purposes of this Clause 48.2D, a "Tax Credit")

then, if it can reasonably do so without any adverse consequences for Concessionco, Concessionco shall reimburse the Trust such proportion of that Tax Credit as will leave Concessionco (after that reimbursement) in no better or worse position in respect of its tax liabilities than it would have been in if no Tax Payment had been required. Concessionco shall give the Trust access to such information as the Trust may reasonably require in relation to its tax affairs and computations in order to allow the Trust to verify the amount of the Tax Credit.

48.3 If following termination of this Agreement, a Discriminatory Bill passes a Second Reading in the first House into which it is introduced to Parliament or, in the case of any legislation of the Scottish Parliament, such analogous circumstances or proceedings under the procedures adopted by the Scottish Parliament, Concessionco shall notify the Trust thereof and within 60 days of receipt of such notice the Trust shall pay Concessionco all amounts payable to Concessionco pursuant to Clauses 45 to 47 (Consequences of Termination) which remain unpaid at the date of such notice.

48.4 Concessionco shall make available to the Trust for collection all data of a confidential nature relating to any patient or patients.

48.5 Subject always to the provisions of Clauses 29A, 45 to 48 (inclusive) and the Disputes Resolution Procedure, all payments or repayments whatsoever due to either party shall be made within twenty (20) Business Days of the effective date of such termination and interest shall be payable on such payments or repayments (after as well as before judgment) at the Appropriate Rate in respect of the period from the date of termination until the date of payment.

48.6 The Trust shall where necessary permit Concessionco and its employees, agents or sub-contractors as appropriate by prior appointment and subject to the reasonable conditions of the Trust access to the Facility and the Site for a period of 28 days from the effective date of such termination to allow Concessionco to remove any of its equipment provided always that:

(a) in respect of any such equipment necessary for the operation of the Facility other than Concessionco's IT System or the provision of healthcare, the Trust shall have the right to purchase such equipment at the lower of cost or net market value; and

(b) in respect of any such equipment (other than the equipment referred to in Clause 48.6(a) of Concessionco which is left on the Site for a period of 28
days from the date of effective termination, the Trust shall, after giving Concessionco notice and further reasonable opportunity to remove such equipment, be entitled at the end of such period to sell any or all of such equipment to any third party and shall account to Concessionco for the proceeds of such sale, less any expenses reasonably incurred in or arising out of such sale.

48.7 Subject to Clause 48.6, Concessionco, its servants, agents, employees and subcontractors engaged directly in the performance of the Works or Services shall forthwith vacate the Site and the Facility save that in the event this Agreement shall expire by effluxion of time such period shall be extended until 7 days from the effective date of the termination of this Agreement. The foregoing provisions shall be without prejudice to the provisions of Clause 25 of the Lease.

49. DISPUTE RESOLUTION PROCEDURE

49.1 Any dispute or difference (references to “dispute” throughout Clauses 49 and Clause 50 shall include any difference) arising under this Agreement or with regard to any matter or thing whatsoever arising out of this Agreement or in connection therewith which is referred to the Adjudicator or to the Dispute Resolution Procedure for adjudication (“Adjudication”) shall be adjudicated in accordance with the adjudication rules set out in the following Clauses 49.2 -49.51 ("the Rules").

49.2 The Rules meet the requirements of adjudication procedure as set out in section 108 of the Housing Grants, Construction and Regeneration Act 1996; Part I of the Scheme for Construction Contracts (Scotland) Regulations 1998 shall thus not apply.

COMMENCEMENT

49.3 (i) The Rules shall apply upon either Party giving written notice to the other Party requiring Adjudication, and identifying in general terms the dispute in respect of which Adjudication is required.

(ii) Within 7 days from the date of such notice, and provided that he is willing and able to act, any agreed Adjudicator under Clause 49.6 or nominated Adjudicator under Clause 49.7 (b) or replacement Adjudicator under Clause 49.8 shall give written notice of his acceptance of appointment to both Parties.

(iii) The date of the referral of the dispute shall be the date that the Adjudicator so confirms his acceptance.

49.4 Notice requiring Adjudication may be given at any time and notwithstanding that litigation has been commenced in respect of such dispute.

49.5 More than one such notice requiring Adjudication may be given arising out of this Agreement.
APPOINTMENT

49.5 Where the Parties have agreed upon the identity of an Adjudicator who confirms his readiness and willingness to embark upon the Adjudication within 7 days of the notice requiring Adjudication, then that person shall be the Adjudicator.

49.7 Where the Parties have not so agreed upon an Adjudicator, or where such person has not so confirmed his willingness to act, then the Party who is seeking the appointment of the Adjudicator and the referral of the dispute to Adjudication may apply to the Chairman, Vice-Chairman, President or Vice-President of either the Royal Incorporation of Architects in Scotland or the Scottish Building Employers Federation or the Royal Institution of Chartered Surveyors in Scotland or the National Specialist Contractors Council ("the Nominator") for a nomination and the selection of the Nominator shall be made by the said Party at a time not earlier than when any dispute arises. The following procedure shall apply:-

(a) The application shall be in writing, accompanied by a copy of this Agreement or other evidence of the agreement of the Parties that the Rules should apply and a copy of the written notice requiring Adjudication.

(b) The Nominator shall endeavour to secure the appointment of an Adjudicator and the referral to him of the dispute within 7 days from the application to the Nominator.

(c) Any person so appointed (and not any person named in this Agreement whose readiness or willingness is in question), shall be the Adjudicator.

49.8 The Nominator shall have the power by written notice to the Parties to replace the Adjudicator with another nominated person as Adjudicator if and when it appears necessary to him to do so. The Nominator shall consider whether to exercise such power if either Party shall represent to him that the Adjudicator is not acting impartially, or that the Adjudicator is physically or mentally incapable of conducting the Adjudication, or that the Adjudicator is failing with necessary despatch to proceed with the Adjudication or make his decision. In the event of a replacement under this Rule, directions and decisions of the previous Adjudicator shall remain in effect unless reviewed and replaced by the new Adjudicator, and all timescales shall be recalculated from the date of the replacement.

49.9 Where an Adjudicator has already been appointed in relation to another dispute arising out of this Agreement, the Nominator may appoint either the same or a different person as Adjudicator.

AGREEMENT

49.10 An agreement to adjudicate in accordance with the Rules shall be treated as an offer made by each of the Parties to the Nominator and to any Adjudicator to abide by the Rules, which offer may be accepted by conduct by appointing an Adjudicator or embarking upon the Adjudication respectively.
SCOPE OF THE ADJUDICATION

49.11 The scope of the Adjudication shall be the matters identified in the notice requiring Adjudication, together with

(a) any further matters which both Parties agree should be within the scope of the Adjudication, and

(b) any further matters which the Adjudicator determines must be included in order that the Adjudication may be effective and/or meaningful.

49.12 The Adjudicator may rule upon his own substantive jurisdiction, and as to the scope of the Adjudication.

THE PURPOSE OF THE ADJUDICATION AND THE ROLE OF THE ADJUDICATOR

49.13 The underlying purpose of the Adjudication is to resolve disputes between the Parties that are within the scope of the Adjudication as rapidly and economically as is reasonably possible.

49.14 Decisions of the Adjudicator shall be binding until the dispute is finally determined by legal proceedings, or by agreement between the Parties.

49.15 The decision of the Adjudicator shall reflect the legal entitlements of the Parties.

49.16 The Adjudicator shall have the like power to open up and review any certificates or other things issued or made pursuant to this Agreement as would a court or arbiter given such powers.

49.17 The Adjudicator shall act fairly and impartially, but shall not be obliged or empowered to act as though he were an arbiter.

CONDUCT OF THE ADJUDICATION

49.18 The Adjudicator shall establish the procedure and timetable for the Adjudication.

49.19 Without prejudice to the generality of Clause 49.18, the Adjudicator may if he thinks fit:-

(a) Require the delivery of written statements of the dispute,

(b) Require either Party to produce a bundle of key documents, whether helpful or otherwise to that Party’s case, and to draw such inference as may seem proper from such bundle that may become apparent,

(c) Require the delivery to him and/or the other Party of copies of any documents other than documents that would be privileged from production to a court.
(d) Limit the length of any written or oral submission.

(e) Require the attendance before him for questioning of either Party or employee or agent of either Party.

(f) Make site visits.

(g) Make use of his own specialist knowledge

(h) Obtain advice from specialist consultants, provided that at least one of the Parties so requests or consents.

(i) meet and otherwise communicate with either Party without the presence of the other Party.

(j) Review and revise any of his own previous directions,

(k) Conduct the Adjudication inquisitorially, and take the initiative in ascertaining the facts and the law.

49.20 The Adjudicator shall only reach his decision after holding an oral hearing, and with or without having endeavoured to facilitate an agreement between the Parties.

49.21 The Adjudicator shall exercise such powers with a view of fairness and impartiality, giving each Party a reasonable opportunity, in light of the timetable, of putting his case and dealing with that of his opponent.

49.22 The Adjudicator may not

(a) Require any advance payment of or security for his fees,

(b) Receive any written submissions from one Party that are not also made available to the other,

(c) Refuse any Party the right at any hearing or meeting to be represented by a representative of that Party’s choosing who is present,

(d) Act or continue to act in the face of a conflict of interest.

49.23 The Adjudicator shall reach a decision within 28 days of referral or such longer period as is agreed by the Parties after the dispute has been referred to him. The Adjudicator shall be entitled to extend the said period of 28 days by up to 14 days with the consent of the Party by whom the dispute was referred. As soon as possible after he has reached a decision, the Adjudicator shall deliver a copy of the decision to each of the Parties to this Agreement. Upon becoming aware that the dispute is the same or arises out of substantially the same facts as a dispute which has previously been referred to Adjudication under this Agreement, and a decision has been issued in that Adjudication, the Adjudicator shall immediately resign.
ADJUDICATOR'S FEES AND EXPENSES

49.24 Save as aforesaid, the Parties shall be jointly responsible for the Adjudicator's fees and expenses including those of any specialist consultant appointed under Clause 49.19(h) (the "Costs of Adjudication") and/or the fees and expenses of any adjudicator and specialist consultant appointed in relation to the Consolidated Adjudication, and the Adjudicator shall have the discretion to make directions regarding the apportionment of the Costs of Adjudication. If no such directions are made, the Parties shall bear the Costs of Adjudication in equal shares, and if any Party has paid more than such equal share, that Party shall be entitled to contribution from other Parties accordingly.

49.24 The Adjudicator's fees shall not exceed the rate of £1,000 per day as may be adjusted by the change in RPI from 1 April 1998 until the date of appointment of the Adjudicator, plus expenses and VAT.

DECISIONS

49.26 The Adjudicator may in any decision direct the payment of such compound or simple interest as may be commercially reasonable.

49.27 All decisions shall be in writing. If requested by either Party, not later than 7 days from the date of delivery of his decision to both Parties, the Adjudicator shall provide written reasons for that decision.

ENFORCEMENT

49.28 Every decision of the Adjudicator shall be implemented without delay. The Parties shall be entitled to such reliefs and remedies as are set out in the decision, and shall be entitled to enforcement thereof, regardless of whether such decision is or is to be the subject of any challenge or review. Neither Party shall be entitled to raise any right of set-off counterclaim or abatement in connection with any enforcement proceedings. Where either Party or the Adjudicator wishes to register the decision for execution in the Books of Council and Session, the other Party shall, on being requested to do so, forthwith consent to such registration by subscribing the decision before a witness which failing within 7 days of such request, the same may be subscribed on behalf of the defaulting Party by the Deputy Principal Clerk of the Court of Session.

IMMUNITY, CONFIDENTIALITY AND NON-COMPELLABILITY

49.29 Neither the Nominator, nor the Adjudicator nor any employee or agent of any of them shall be liable for anything done or not done in the discharge or purported discharge of their functions, whether in negligence or otherwise, unless the act or omission is in bad faith.

49.30 The Adjudication and all matters arising in the course thereof are and will be kept confidential by the Parties except insofar as necessary to implement or enforce any decision of the Adjudicator or as may be required for the purpose of any subsequent proceedings.
49.31 In the event that either Party seeks to challenge or review any decision of the Adjudicator in any subsequent litigation, the Adjudicator shall not be joined as a party to, nor shall be cited or otherwise required to give evidence or provide his notes in such litigation.

49.32 Neither Party shall, save in case of bad faith on the part of the Adjudicator, make any application to the courts whatsoever in relation to the conduct of the Adjudication or the decision of the Adjudicator until such time as the Adjudicator has made his decision, or refused to make a decision.

49.33 All information, data or documentation disclosed or delivered by a Party to the Adjudicator in consequence of or in connection with his appointment hereunder shall be treated as confidential by the Adjudicator and each Party to the Adjudication (save as otherwise agreed between the Parties) and shall be returned to the owner on completion of the Adjudication proceedings.

49.34 The Parties shall continue to comply with, observe and perform all their obligations under this Agreement regardless of the nature of the dispute and notwithstanding the referral of the dispute for resolution under this Clause.

49.35 Notwithstanding Clauses 49.14 and 49.32, neither Party shall make any application whatsoever to the Court of Session in relation to the conduct of the Adjudication or the decision of the Adjudicator

(a) after the date ninety (90) days from the decision of the Adjudicator or ninety days from Services Commencement Date (whichever is the later); and

(b) unless it shall involve the pursuit of a claim or a counterclaim of a monetary value in excess of £50,000 (as adjusted in accordance with the increase in RPI from the date of this Agreement until the date of the determination of the Adjudicator) or in the case of claims or counterclaims of a lesser monetary value arising out of the same facts and circumstances an aggregate monetary value in excess of £100,000 (as adjusted in accordance with the increase in RPI from the date of this Agreement until the date of the determination of the Adjudicator);

49.36 Notwithstanding Clause 49.14 and Clause 49.32, no party shall, save in the case of bad faith on the part of the Adjudicator make any application whatsoever to a competent Court in relation to the conduct of the Adjudication or the decision of the Adjudicator until after the Services Commencement Date or earlier termination or alleged termination of this Agreement, unless and until the prior written consent of both Concessionaire and the Trust has been obtained.

49.37 The Rules shall be governed by and construed in accordance with the law of Scotland and the parties irrevocably submit to the exclusive jurisdiction of the Court of Session, Scotland.
Consolidation of Disputes

49.38 In the event of a dispute or difference arising under, out of or in connection with this Agreement which in the opinion of Concessionco relates to a dispute or potential dispute ("Related Dispute") arising under, out of, or in connection with any other contract between Concessionco and a third party (all such contracts being referred to as the "Related Contracts") and where the Related Dispute has been referred to an adjudicator for determination under an adjudication procedure ("the Related Procedure") which meets the requirements set out in section 108 of the Housing Grants, Construction and Regeneration Act 1996 and is in all material respects equivalent to the adjudication procedure set out in the Rules, (and in actual fact has an Adjudicator appointed on an arms’ length basis) Concessionco may or may procure that the other party to the Related Dispute or difference shall as soon as practicable, and in any case within fourteen (14) days of the referral of the dispute or difference to the Expert, give to the Expert conducting the adjudication under this Agreement and also to the other parties to the dispute or difference and the Related Dispute the particulars set out in Clause 49.39 below.

49.39 The particulars referred to in Clause 49.38 above are:

(a) a copy of the Related Contract;

(b) a preliminary statement from Concessionco and/or, as the case may be, the other party to the Related Dispute setting out:-

(i) the basis and grounds for consolidation of the Related Dispute and the dispute or difference;

(ii) the cases of the parties to the Related Dispute;

(iii) any relief sought by the parties to the Related Dispute; and

(iv) a list of any documents served in relation to the Related Dispute.

Any such particulars sent by Concessionco to the Expert and the other parties to the dispute or difference shall be sent at the same time to the other party to the Related Dispute.

49.40 On receiving the particulars set out in Clause 49.39 above prior to the Services Commencement Date and within fourteen (14) days of the referral of the dispute or difference to the Expert, the Expert shall, at the request of Concessionco, immediately order consolidation of the dispute or difference and the Related Dispute and shall have the authority and the power referred to in Clause 49.47 below.

49.41 On receiving the particulars set out in Clause 49.39 above on or after the Services Completion Date and within fourteen (14) days of the referral of the dispute or difference to the Expert, the Expert shall immediately request that the parties to the dispute or difference and the other party to the Related Dispute attend a meeting with the Expert with a view to determining whether or not the dispute or
difference and the Related Dispute should be consolidated.

49.42 Concessionco shall use its reasonable endeavours to procure that an authorised representative of the other party to the Related Dispute shall attend the meeting with the Expert referred to in Clause 49.41 above. Concessionco and the Trust each agree to send an authorised representative or nominee to any meeting of this kind under this Agreement or under a Related Contract, which they may be requested to attend. The parties hereby agree that the Trust shall be entitled to attend any meeting of the kind referred to in Clause 49.41 above, in relation to a Related Contract as Concessionco's nominee.

49.43 At the meeting referred to in Clause 49.41 above, the Trust's representative shall, as a preliminary matter, either:

(a) confirm to the Expert that the Trust accepts the proposed consolidation of the Related Dispute with the dispute or difference; or

(b) inform the Expert that the Trust does not accept the proposed consolidation of the Related Dispute with the dispute or difference.

49.44 Where Clause 49.43(a) above applies, the Expert shall immediately order consolidation of the dispute or difference and the Related Dispute and shall have the authority and the power referred to in Clause 49.47.

49.45 Where Clause 49.43(b) above applies, the Expert shall issue within one (1) day of the meeting referred to in Clause 49.40 above his written decision, which shall not include any reasons, as to whether or not there is demonstrably no basis or ground for consolidation of the dispute or difference and the Related Dispute. If the Expert determines that there is demonstrably no basis or ground for consolidation of the dispute or difference and the Related Dispute, the dispute or difference and the Related Dispute shall not be consolidated. If the Expert determines otherwise, or if the Expert has failed or is unable to reach a decision within (1) day of the meeting referred to in Clause 49.41 above, the Expert shall immediately order consolidation of the dispute or difference and the Related Dispute and shall have the authority and the power referred to in Clause 49.47 below.

49.46 Notwithstanding anything to the contrary, a Related Dispute shall only be consolidated with a dispute or difference under this Agreement if the Expert receives the particulars set out in Clause 49.39 above within fourteen (14) days of the referral of the dispute or difference under this Agreement to the Expert.

49.47 The Expert shall have the authority and the power to consolidate the dispute or difference and the Related Dispute and to direct that all procedural and/or evidential matters arising in both the dispute or difference and the Related Dispute are consolidated in whatever manner the Expert considers shall lead to the fair and expeditious resolution of both the dispute or difference and the Related Dispute and the parties (including the party to the Related Dispute) shall thereafter abide by and implement such consolidation and any such direction.

49.48 In the event that the Related Dispute is consolidated with the dispute or difference.
the Expert shall reach a decision on the dispute or difference and the Related Dispute at the same time and in any event within twenty eight (28) days of the earlier of the referral of the dispute or difference or the referral of the Related Dispute, or such longer period as is agreed by the parties to the dispute or difference and the Related Dispute after the date that the Related Dispute has been consolidated with the dispute or difference. The Expert shall be entitled to extend the said period of twenty eight (28) days by up to fourteen (14) days with the consent of the party by whom the relevant dispute was referred.

49.49 Without fettering or restricting the Expert's power and authority in any way, it is the intention of Concessionco and the Trust that in the event that the Related Dispute is consolidated with the dispute or difference, the Expert shall, insofar as is relevant, practicable and appropriate, come to the same conclusion as to the facts and apply the same reasoning and analysis in reaching a decision on both the dispute or difference and the Related Dispute.

49.50 In the event that an adjudicator under a Related Contract ("the Related Expert") orders that a dispute or difference under this Agreement be consolidated with a Related Dispute with which he is dealing under the Related Contract, then:

(a) notwithstanding anything in the Rules above, with effect from the time of such order, the Expert shall cease to have authority or jurisdiction to determine the dispute or difference which shall instead be determined by the Related Expert and the appointment of the Expert under this Agreement shall cease; and

(b) such order shall be binding on Concessionco and the Trust and both of them shall acknowledge the appointment of the Related Expert as the adjudicator of the dispute or difference, with Concessionco procuring that the third party who is a party to the Related Contract shall with effect from the time of such order comply with the requirements of the Related Expert appointed under such Related Contract) as to the future conduct of the determination of the dispute or difference and the Related Dispute; and

(c) notwithstanding Clause 49.24, Concessionco and the Trust shall be jointly responsible with the third party who is a party to the Related Contract for the Related Expert's fees and expenses including those of any specialist consultant appointed under the adjudication procedure in the Related Contract, in respect of the period in which the dispute or difference is consolidated with the Related Dispute pursuant to an order of the Related Expert ("the Consolidated Adjudication Costs"). Concessionco and the Trust agree that the Related Expert shall have the discretion to make directions to require Concessionco, the Trust and the third party who is a party to the Related Contract to pay or make contribution to the Consolidated Adjudication Costs in different proportions. If no such directions are made, Concessionco, the Trust and the third party who is a party to the Related Contract shall bear the Consolidated Adjudication Costs in equal shares, and if Concessionco, the Trust or the third party has paid more than such equal share, that party or third party shall be entitled to a contribution from the other party, parties or third party, as the case may be; and
(d) notwithstanding anything to the contrary a dispute or difference under this
Agreement shall only be consolidated with a Related Dispute, if the Related
Expert receives particulars of the dispute or difference within fourteen (14)
days of the referral of the Related Dispute to the Related Expert under the
Related Contract.

49.51 Notwithstanding anything to the contrary, in the Rules above, Concessionco shall
pay the Trust’s reasonable costs arising from the consolidation of the dispute or
difference and the Related Dispute in circumstances where Concessionco has
requested the Expert to order consolidation of the dispute or difference and the
Related Dispute and it is subsequently determined by the Expert that there was no
basis or ground for Concessionco to request the Expert to order consolidation of
the Related Dispute and the dispute or difference.

1 In the event that at any time prior to the Operational Date an order shall be made pursuant to Section 65 and/or Section 68 of the Town and Country Planning (Scotland) Act 1997 to revoke the planning consent for the Works (the grant whereof constitutes Condition 1) or to modify it in such a way that Concessionco is unable to comply to a material and substantial extent with its obligations under this Agreement then the following provisions shall have effect:-

(a) Concessionco will in consultation with the Trust object to such proposal and use all reasonable endeavours to procure that such proposal shall not be granted and the Trust will at the request of Concessionco assist in so procuring.

(b) Concessionco may at Concessionco's discretion either simultaneously with (a) above or subsequent thereto lodge a new planning application for the Works and use all reasonable endeavours to procure that the same shall be granted in a form acceptable to Concessionco and the Trust.

(c) If Concessionco is successful in challenging the proposal so that the same is withdrawn then the making of the said proposal shall be deemed to be an event referred to at Clause 17.1 and the Completion Date shall be adjusted accordingly.

(d) If Concessionco is unsuccessful in challenging the proposal as more particularly described in (e) below but is successful in procuring the grant of a new planning consent for the Works pursuant to (b) above then the delay caused by the making of the said proposal and the obtaining of the new consent shall be deemed to be an event referred to at Clause 17.1 and the Completion Date shall be adjusted accordingly and the new consent shall be substituted for the consent which was revoked for all purposes of this Agreement.

2 If Concessionco is unsuccessful in challenging the proposal so that (in the case of a proposal under Section 65 aforesaid) the same is confirmed by the Secretary of State/ The First Minister pursuant to Section 66 of the Town and Country Planning (Scotland) Act 1997 or (in the case of a proposal under Section 68 aforesaid) the same is made by the Secretary of State/The First Minister under Section 68 aforesaid and (in each case) any appeal procedure open to Concessionco has been exhausted or the time limit for making any appeal or further appeal has elapsed without such appeal being lodged and no new consent for the Works is granted as referred to in (d) above then this Agreement shall terminate. In the event that the local planning authority shall submit an order pursuant to Section 71 and/or Section 73 of the Town and Country Planning (Scotland) Act 1997 to the Secretary of State/The First Minister in either case for confirmation such order providing for the discontinuance of the use of the Hospital Site as a hospital or that conditions should be imposed on such continued
use or that the Facility should be altered or removed then the following provisions shall have effect in each event:-

(a) if Concessionco and the Trust shall agree that the conditions which it is proposed to impose on the continued use of the Hospital Site as a hospital or the proposed requirement to alter or remove the Facility are acceptable then (if and when the same shall be confirmed by the Secretary of State/First Minister) the parties will comply with the same and the same will be treated as a change in the Legal Requirements

(b) If the order provides for the discontinuance of the use of the Hospital Site as a hospital or Concessionco and the Trust shall agree that the conditions which it is proposed to impose on the continued use of the Hospital Site as a hospital or the proposed requirement to alter or remove the Facility are not acceptable then Concessionco will in consultation with the Trust object to such order and use all reasonable endeavours to procure that such order shall not be confirmed and the Trust will at the request of Concessionco assist in so procuring

(c) If Concessionco is unsuccessful in challenging the proposal so that the same is confirmed by the Secretary of State/First Minister and any appeal procedure open to Concessionco has been exhausted or the time limit for making any appeal or further appeal has elapsed without such appeal being lodged then this Agreement shall terminate

3 In the event that an application for judicial review under the Act of Sederunt (Rules of the Court of Session 1994) 1994 SI No. 1443 shall be made by any third party arising from the grant of outline planning permission for the Project and/or from the grant of the planning consent for the Works (the grant whereof constitutes Condition 1) then the following provisions shall have effect:-

(b) Concessionco may at Concessionco's discretion either simultaneously with (a) above or subsequent thereto lodge a new planning application for the Works and use all reasonable endeavours to procure that the same shall be granted in a form acceptable to Concessionco

(c) If Concessionco is successful in challenging the application so that the same is not granted (or if the same shall be granted but the planning consent is again granted by the local planning authority and such grant is not challenged or any such challenge is finally disposed of (in each case) leaving the planning consent for the Works in place in its original form) then (if the Services Commencement Date has not occurred prior to the application being made) the period of six months from the Completion Date after which the Trust shall be entitled to terminate the Agreement
shall be extended for a period equal to the period during which the planning consent for the Works has been the subject of challenge or (if the application is made after the Services Commencement Date) the making of the original application and any subsequent proceedings shall be deemed to be an event referred to at Clause 17.1 and the Completion Date shall be adjusted accordingly.

(d) If Concessionco is unsuccessful in challenging the application and is unsuccessful in procuring the grant of the planning consent when the same is resubmitted to the local planning authority for re-determination but Concessionco is successful in procuring the grant of a new planning consent for the Works pursuant to (b) above then (if the Services Commencement Date has not occurred prior to the application being made) the period of six months from the Completion Date after which the Trust shall be entitled to terminate this Agreement shall be extended for a period equal to the period during which the planning consent for the Works has been the subject of challenge and the new planning consent has been awaited or (if the application is made after the Services Commencement Date) the delay caused by the making of the said application and the obtaining of the new consent shall be deemed to be an event referred to at Clause 17.1 and the Completion Date shall be adjusted accordingly and the new consent shall be substituted for the consent which was revoked for all purposes of this Agreement.

(e) If Concessionco is unsuccessful in challenging the application and is unsuccessful in procuring the grant of the planning consent when the same is resubmitted to the local planning authority for re-determination and (in each case) any appeal procedure open to Concessionco has been exhausted or the time limit for making any appeal or further appeal has elapsed without such appeal being lodged and no new consent for the Works is granted as referred to in (d) above then this Agreement shall terminate.

3 In the event that any third party having powers of compulsory acquisition shall propose compulsorily to acquire the Hospital Site or any part thereof then the following provisions shall have effect:-

(a) (In the case of a proposal to acquire part only of the Hospital Site) if Concessionco and the Trust shall agree that such proposed acquisition will have no material and substantial effect upon the Hospital Site and its operation as a hospital then (if and when the compulsory purchase order is confirmed) the parties will comply with the same and will take such steps in relation to the same (including but without prejudice to the generality of the foregoing surrendering the relevant part of the land demised by the Lease and/or the Sub-Lease) as they shall agree are reasonably necessary or (in case of dispute) as shall be determined pursuant to Clause 49.

(b) In the case of a proposal to acquire the whole of the Hospital Site or (in the case of a proposal to acquire part only of the Hospital Site) if Concessionco and the Trust shall agree that such proposed acquisition will
have a material and substantial effect upon the Hospital Site and/or its operation as a hospital then Concessionco will in consultation with the Trust object to such proposal and use all reasonable endeavours to procure that such order shall not be confirmed and the Trust will at the request of Concessionco assist in so procuring.

(c) In the case of a proposal falling within (b) above if Concessionco is unsuccessful in objecting to the proposal so that the compulsory purchase order is confirmed by the Secretary of State and any appeal procedure open to Concessionco has been exhausted or the time limit for making any appeal or further appeal has elapsed without such appeal being lodged then this Agreement shall terminate.
THE SCHEDULE- PART 14
RECOGNITION AGREEMENT

SOUTHERN GENERAL HOSPITAL NHS TRUST

TRADE UNION RECOGNITION / COLLECTIVE DISPUTES AGREEMENT

INTRODUCTION

1. The Trust Board recognises the benefits of staff representation by Trade Unions and Professional Organisations at individual, departmental and corporate level and the right of each employee of the Trust to join and remain a member of a Trade Union or Professional Organisation. The Trust operates a check-off system which facilitates the collection of Trade Union subscriptions.

2. This agreement seeks to establish a formal procedure whereby management and the staff side can discuss matters of joint interest in regard to terms and conditions of service and provide machinery for the resolution of disputes. In the interest of good industrial relations management acknowledge that organisational change or changes to terms and conditions of employment are more successfully achieved if the proposed changes and the reasons for such changes are first subject to consultation and negotiation with staff and their representatives in an attempt to reach agreement.

3. The responsibility of the staff side to represent the interest of its members, to work to improve terms and conditions of employment, promote health and safety and welfare and increase job security is also acknowledged.

4. Although recognising the benefits of consultation and negotiation with staff representatives about proposed new or revised terms and conditions of employment, either side is entirely free to choose which issue concerning terms and conditions of employment they wish to put forward for consultation and negotiation. Management will, however, if proposing to change Joint Agreements reached at either department or corporate level, consult and negotiate with the staff side prior to any changes being implemented.

INDIVIDUAL REPRESENTATION
5. Each employee will have the right to individual representation at formal disciplinary and grievance hearings in accordance with the Trust's Disciplinary and Grievance Procedure. Employees may choose to be represented at these formal hearings by any of the Trade Union / Professional Organisations currently recognised by the General Whitley Council and its functional councils or as otherwise specified in those agreements.

LEVEL 1 - DEPARTMENTAL / OCCUPATIONAL GROUP REPRESENTATION

6. Both management and the staff side may wish to initiate discussions concerning terms and conditions of employment to be implemented at departmental level or in respect of a specific occupational group. To facilitate this, management will formally recognise specified Trade Unions / Professional Organisations which have recognition rights at Level 1 for the purpose of consultation and negotiation. A list of the departments / occupational groups and the Trade Unions / Professional Organisations which have recognition at this level is attached at Appendix 1.

LEVEL 2 - CORPORATE REPRESENTATION

7. Both management and the staff side may wish to initiate discussions concerning the terms and conditions of employment of either all or a large proportion of the Trust's employees. To facilitate this management will formally recognise specified Trade Unions / Professional Organisations which will have recognition rights for this purpose. These are listed in Appendix 2 attached, together with examples of the issues which would be discussed at this level.

8. Where discussions concerning corporate conditions of service are initiated by either side, such discussions shall take place in a formal meeting of the Trust Negotiating Group. This group shall not consider proposals which would change the terms and conditions of employment of employees of only one department or one occupational group. Where discussions relate to proposals that would vary the terms and conditions of employees in more than one department or occupational group, such discussions may, with the agreement of both parties, take place within the Trust Negotiating Group. Otherwise any discussion would take place with the Trade Unions / Professional Organisations which are formally recognised for that purpose at Level 1.

9. The staff side at the Joint Negotiating Group shall comprise 6 members in total, including one staff representative from each of the five Trade Unions / Professional Organisations shown at Appendix 2. The sixth member shall be a Joint Consultative Committee representative appointed by that Committee from among those organisations listed in Appendix 1 which do not otherwise have representation at Level 2. (In recognition of the transitional stage of the merger of COHSE, NALGO, and NUPE into UNISON, there shall be two representatives from UNISON for the first Year, following which the position will be reviewed). The staff side shall appoint its own Secretary and Chairperson. Each representative will cease immediately upon termination of employment. The management side shall
normally be comprised of 4 Directors. A member of the management side shall Chair the meeting.

RIGHTS ASSOCIATED WITH FORMAL RECOGNITION

10. The following rights result from formal recognition:-

(i) The right for members and officials to reasonable time off work, either with or without pay, for Trade Union duties and/or activities.

(ii) The right to information for the purposes of collective bargaining (but only in relation to those issues for which negotiating rights have been offered).

(iii) The right to be consulted on proposed redundancies.

(iv) The right to information and consultation and other rights in connection with the transfer of undertakings.

(v) The right to information and consultation under the Health and Safety at Work Act.

(vi) The right to information and consultation on occupational pensions.

(vii) The right to hold a workplace ballot on the Trust's premises.

RESOLUTION OF DISPUTES

General

11. Both sides are committed to the resolution of disputes wherever possible on an informal basis and at a level which is as close as possible to the source of the disputes. Recourse to the formal disputes procedure should be a last resort.

12. In the event of the staff side submitting a formal dispute at level 1 or 2, management undertake not to unilaterally implement any new or revised terms or conditions of employment until the disputes procedure set out in this document has been exhausted. The status quo is otherwise defined as the existing contractual position prevailing immediately prior to a formal dispute being submitted. The existing contractual position will normally be the present working arrangements, except where documentary evidence relating to the individual contracts, or a joint agreement shows otherwise. Where the proposed change may be required within the existing contractual arrangements, management are committed to giving notice equivalent to that which would otherwise be required, except for temporary changes or in emergency situations. Such notice will be either the contractual or the statutory notice period, whichever is the greater. The staff side likewise undertake not to support any industrial action prior to the disputes procedure being exhausted.
13. If the staff side wish to lodge a formal dispute they must do so in writing within 7 working days of having been given formal notification of management's position, either at a meeting or in writing. Management should confirm their position in writing.

14. A formal dispute at either level will only be accepted from staff representatives of those Trade Unions / Professional Organisations who have been recognised at that level. Formal disputes from staff representatives thus recognised shall only be accepted following receipt by the staff side of formal notification of management's position as indicated in Paragraph 13, either in respect of the rejection of a proposal by the staff side, or in respect of a proposal by management to implement new or vary existing terms and conditions of service from a given date.

15. The acceptance by management of any formal dispute, and the application of the status quo in respect of that dispute, shall apply only to those employees who are directly involved in the dispute. Staff representatives when submitting a dispute must, therefore, in addition to identifying the precise basis of the dispute, also identify the number of employees from within the group who have confirmed their involvement in the dispute.

16. Following a formal dispute having been submitted both sides undertake to meet formally as soon as possible to attempt to resolve the dispute. If the staff side are unable to attend within 15 working days, either the first or subsequent formal meetings convened by management under this procedure, the disputes procedure will be regarded as having been exhausted. The period of 15 working days may be extended on receipt of a reasonable request from the full-time official of an Union / Professional Organisation, provided there are genuine difficulties in complying with that time limit.

17. In the event of a continued failure to agree at either level the services of ACAS in respect of either conciliation / arbitration may be sought with the agreement of both parties.

18. Any reference in this procedure to staff representatives shall mean an employee of the Trust who has been elected or appointed by the Trade Union or Professional Organisation to represent their members within the Trust and whose appointment has been confirmed in writing to management. Such representatives shall include Health and Safety Representatives.

**LEVEL 1 - DEPARTMENTAL / OCCUPATIONAL GROUP DISPUTES**

19. Formal disputes at this level shall first be considered by the line manager with direct responsibility for the staff involved. In the event of the dispute being unresolved, the staff side may refer the dispute to the appropriate Senior Manager or equivalent, as listed in Appendix 3 attached.
20. If the dispute remains unresolved the staff side may refer it to the appropriate Director / Clinical Director. The staff side may, at this stage, choose to be represented by their full-time / national officer.

21. If there is a continued failure to agree, there shall be a further formal meeting involving the same Director / Clinical Director who will be accompanied by at least two other Directors. The staff side may again choose to be represented by their full-time / national officer (not exceeding three such officers if more than one recognised organisation is involved).

LEVEL 2 - CORPORATE DISPUTES

22. Formal disputes at this level shall be referred to a meeting of the Trust Negotiating Group unless the management notification referred to in Paragraph 13 was given following a meeting of this group in which case the dispute shall be dealt with under Paragraph 23.

23. If the dispute remains unresolved there shall be a formal Joint Disputes meeting with the management side comprising at least 3 Directors, and the staff side comprising 3 employee representatives and not more than 3 of their full-time / national officers.

JOINT CONSULTATIVE COMMITTEE

24. In addition to consultation at level 1 and level 2, the Trust Board recognises the benefits of general joint consultation with a large number of staff representatives and therefore proposes to continue with the existing Joint Consultative Committee. Membership of the Joint Consultative Committee by a staff representative does not in any way afford that representative or the Trade Union or Professional Organisation to which he/she belongs any recognition. The constitution of the Joint Consultative Committee is attached as Appendix 4.

STAFF REPRESENTATIVE - TIME OFF FOR TRADE UNION DUTIES

25. Staff representatives shall be given reasonable paid time off from work in accordance with Section 168 of TULR (C) Act 1992 and the ACAS Code of Practice on Time Off for Trade Union Duties and Activities, for the purpose of carrying out duties as such a representative, including appropriate training.

26. In all cases staff representatives must give reasonable notice to line managers of requests to take time off work for these purposes. The agreement by line managers to grant time off will be subject to the exigencies of the service and should not be unreasonably refused.

27. A separate facilities procedure will be developed and will contain more detail as to how these provisions will operate.
28. Employees should not be victimised (by either dismissal or action short of dismissal) because of Trade Union membership or for being an active member of a Trade Union. Similarly the employment conditions or professional development of staff representatives should not be adversely affected for undertaking their duties in accordance with this agreement. The Trade Union Labour Relations (Consolidation) Act 1992 enables a complaint to be made to an Industrial Tribunal in respect of alleged victimisation.

LENGTH OF THIS AGREEMENT

29. This procedure shall operate for a period of one Year and shall then be subject to review. This document is not legally binding. Although not obliged to do so, both sides undertake to give 3 months notice of any intention to withdraw from the agreement. Although binding in honour only both parties will use their best endeavours to ensure its effective operation.

THE SCHEDULE- PART 21
SERVICE LEVEL SPECIFICATIONS

South Glasgow University Hospitals NHS Trust
PFI Scheme – Medicine for the Elderly

Guidance for Use of the Performance Monitoring System in Part 21 of the Schedule

1 Each service is divided into service elements:
   - Statutory compliance
   - Systems and safeguards
   - Service delivery

2 Each service element has a percentage of the total service fee, for that service, allocated to it. The allocated percentages are:
   - Statutory compliance – 20%
   - Systems and safeguards – 20%
   - Service delivery – 60%

3 Each service element consists of a number of performance standards. The exact number of performance standards in each service element and the percentage of the total percentage allocated to the service element is set out e.g. within the Estates Services 20% of the service element is allotted to systems and safeguards. Of that 20%, 4% is allocated to PPM system, 3% is allocated to "Permits to Work", etc. The percentage relating to each performance standard defines the portion of the total service fee which is at risk if performance falls below agreed criteria.

4 Each performance standard defines the output required and the performance criteria which will be used to judge performance. Each performance standard has a performance measurement definition i.e. an agreed basis for measuring the performance for that particular standard.

5 There is a performance threshold for each performance standard. The performance threshold determines the point at which the performance is deemed to be satisfactory i.e. a 95% performance against a 95% performance threshold will mean the payment of 100% of the monthly service fee attributable to the performance standard; a 94% performance against a 95% performance threshold will mean the deduction of 1% of the monthly service fee attributable to that performance standard.
For certain performance standards a 100% performance threshold has been set.

Of these:

(a) Where only one breach is the threshold, any failure within the month on that particular standard may result in a deduction from the unitary charge of an amount equating to the total service fee attributed to that performance standard;

(b) where performance measurement is a percentage of failures against an agreed target then the percentage score will be calculated by dividing the actual achieved score by the target score multiplied by 100%;

(c) The performance measurement definition determines how the deduction is calculated.

Rectification periods have been set for some performance standards. If Concessionco fails to rectify a performance failure within the agreed rectification period then this shall be counted as a failure on the overall calculation of performance.

With respect to each performance standard, where a score of less than the performance threshold but more than 80% has been achieved, the fee attributable to that performance standard shall be reduced on a percentage for percentage basis. Where the achieved score is 70% or less, the fee payable with respect to that performance standard will be equivalent to the percentage achieved score.

For scores of 71% to 80%, the fee payable shall be calculated on a pro-rata basis. Examples of the fee calculation are set out below:

For the purposes of Clause 27 of the Concession Agreement, the Performance Percentage shall, subject to paragraphs 12, 13 and 14 below be determined by dividing the sum of the fees payable with respect to all of the performance standards for that Service ascertained from the performance monitoring system by the Performance Related Payment for that Service and multiplying by 100. The corresponding adjustment to the Performance Related Payment shall be ascertained by deducting the sum of the fees payable with respect to all of the performance standards for that Service from the Performance Related Payment for that Service.

Subject to Clause 20.7 of the Concession Agreement, all percentage scores with respect to the Catering Service will be calculated on the basis of the baseline Catering Performance Related Payment. The adjustment to the Catering Service Performance Related Payment with respect to performance shall be established by multiplying the product of 100 minus the Performance Percentage by the Catering Service Performance Related Payment after it has been adjusted for Volume in accordance with Clause 27 of the Concession Agreement.

Without prejudice to the above, if Concessionco meets the obligations set out in respect of the Service, it shall be awarded a performance percentage of 100% and, subject to adjustment in accordance with Clauses 27.1(b) to (e) of the Concession Agreement, shall be entitled to be paid the Performance Related Payment for that Service.

On the basis that continued performance at that level will lead to replacement of the Service Provider concerned, a Performance Percentage of less than 75% shall only be awarded if Concessionco fails to meet all or substantially all of the obligations set out in the Service Level Specification for that Service.

In the event that the Performance Percentage determined in accordance with paragraph 9 is less than 75%, but Concessionco has met all or substantially all of the obligations set out in the Service Level Specification for that Service, then the Performance Percentage awarded shall be 75% and, subject to adjustment in accordance with Clauses 27.1(b) to (e) of the Concession Agreement, Concessionco shall be entitled to be paid 75% of the Performance Related Payment for that Service.

If Concessionco meets none of the obligations set out in the Service Level Specification for any Service, then the Performance Percentage for that Service in that month shall be zero.
14 No adjustment shall be made in respect of any *de minimis* failure to comply with any performance standard.

15 To assist in the interpretation of this guidance note, marked examples of the performance monitoring system are attached.

• Car park monitoring in the vicinity of the Facility.

• Ad hoc preparation of rooms for meetings.
2 Standards of Service Delivery

2.1 General Service Standard

2.1.1 Both parties acknowledge the fact that there will only routinely be one porter on duty. His job is to perform the routine tasks to a pre-arranged schedule and to perform other (ad-hoc) tasks at a time that will not normally interrupt his routine duties. There will be occasions when ad-hoc tasks will necessarily interrupt routine tasks. By arrangement between the parties this should be kept to a minimum, but when it does occur, and the priority is set by the Trust, the porter will break off the routine task and perform the ad-hoc task, releasing him from the performance obligations of the routine task. He will be expected to resume the routine task at the earliest available opportunity. Where the level of ad-hoc activity is such that the porter cannot complete his routine tasks within the work period, then the situation shall be reported to the Concessionco Duty Manager who will liaise with the Trust Representative in agreeing the appropriate action to be taken in the circumstances.

The Trust will use it’s best endeavours to limit ad hoc tasks to times when routine tasks are not being performed.

Priorities for routine and ad hoc tasks will be in accordance with a pre-agreed protocol.

2.1.2 Concessionco staff will be courteous, polite and professional in all duties involving service delivery

2.1.3 The porter will receive appropriate training and instruction so that the tasks can be performed to the required level of competency

2.1.4 All equipment required to provide any element of the service will be maintained in a safe, serviceable and hygienic manner at all times, subject always to fair wear and tear.

2.1.5 Systems of communication will be established with Trust representatives to ensure all Portering requirements are correctly recorded and processed. These systems will be reviewed at agreed time intervals

2.1.6 Appropriate aspects of the Portering service will be covered by a Manual Handling training programme
2.1.7 Concessionco will be responsible for ensuring that the porter is available by use of a suitable radio communications system. It is proposed that this system will link to the existing Trust system. The cost of personal pagers will be met by Concessionco.

2.1.8 Concessionco will use reasonable endeavours to improve and optimise the use of available portering resource.

2.1.9 Concessionco will provide the services detailed 365(6) days per year in accordance with the specified attendance hours.

The Concessionco porter will fulfil the task of delivery and collection of specimens from Centralised Collection Points (CCP) within the Facility. These tasks will be performed in accordance with agreed schedules or on an ad hoc basis by requests to the Concessionco Porter. Both parties will endeavour to ensure that, where possible, recurrent activities are pre-scheduled. Schedules for this activity will be agreed between the Concessionco Representative and the relevant Departmental Manager. Response times for ad hoc requests will be in accordance with the times agreed between Concessionco and the Trust. Emergency and ad-hoc specimens will be transported/collected to/from the originating departments within the facility outside the specified attendance hours by the Trust's staff or the Trust's supplier of portering services. For the avoidance of doubt this will include completed specimen reports and X-ray films and reports.
2.2.3 Waste Collection and Delivery

Concessionco will collect waste from ward and departmental disposal areas on a scheduled basis for delivery to a CCP within the Facility. These schedules will be agreed between the Concessionco Manager and the relevant Trust Departmental Manager.

Concessionco will ensure, that at all times, the equipment used for performing these tasks complies with the Provision and Use of Work Equipment Regulations.

Concessionco will use reasonable endeavours to ensure that the central refuse collection area is clean and tidy at all times and that waste does not spill over to surrounding areas. All spillages will be promptly cleaned. For the avoidance of doubt, all waste will be segregated by Trust staff at the point of entering the disposal system, and such segregation shall be maintained by Concessionco throughout the process to the final removal from the Facility.

2.2.4 Non-Patient Moves – General

Concessionco will use reasonable endeavours to ensure that these services are provided to agreed response criteria based on the nature of move requested.

2.2.5 Mail Services - Internal and External

Mail collections and deliveries from the CCP within the building, will be performed to agreed schedules twice each day, Monday to Friday and once on Saturday within the times stated above. The Concessionco porter will at scheduled times, to be agreed between the Concessionco Representative and the Trust Representative transport dirty linen from patient areas, to a CCP within the facility.

The Concessionco porter will be trained to agreed standards to operate any equipment required to fulfil this task. All equipment required to provide these tasks will be maintained in a safe, serviceable and hygienic condition suitable for use, subject to fair wear and tear.
2.2.10 Mortuary Duties

The Concessionco porter will assist Trust staff with the removal of deceased patients to the Mortuary during attendance hours. Whilst performing these duties the Concessionco porter will ensure appropriate standards of dignity and respect for the deceased are maintained at all times. Out-with attendance hours movement of deceased persons will be undertaken by Trust staff.

2.2.11 Room Preparation

Abnormal requests for support from the Porter such as:

- the use of the porter in support of a clinical department for a protracted period

- office and departmental moves

should be passed to the Concessionco Representative and agreed with the Trust Representative prior to work commencing. Such requests may be subject to an additional charge to the Trust if they fall outside the scope of this Agreement.
