This bulletin covers a wide range of community nursing topics and should be of interest to practice nurses, health visitors, school nurses and others working in this area.

Many of the following articles are available online via the NHS Scotland Knowledge Network. Please use the links where provided and your ATHENS password. A complete list of available online journals and registration for ATHENS can be found at [www.knowledge.scot.nhs.uk](http://www.knowledge.scot.nhs.uk/).

If the article you require is not available via the NHS Scotland Knowledge Network and you would like to request a print copy, please submit your request online at [www.quest.scot.nhs.uk](http://www.quest.scot.nhs.uk).

This bulletin contains a selection of material gathered from a search of the evidence base, and is not intended to be comprehensive. Professional judgment should be exercised when appraising the material. The Library takes no responsibility for the wording, content and accuracy of the information supplied, which has been extracted in good faith from reputable sources. NHSGGC is not responsible for the content of external internet sites.
