The New Stobhill Ambulatory Care Hospital (ACH) is set in the Stobhill campus. The campus houses the hospital, a minor injuries unit, a number of general and specialist mental health facilities, and a brand new purpose-built Marie Curie Cancer Care hospice.

The ACH provides outpatient clinics, day surgery and diagnostic services. There are hospital beds available to medics to extend the range of short stay surgical procedures offered to patients. The core hospital opening hours are from 8am till 9pm. The minor injuries unit will operate seven days a week from 9am until 9pm.

At the main entrance there is a staffed help desk and patient information points which provide travel information, health promotion and other advice.

Secure and designated visitor cycle parking facilities are located outside the main ACH entrance (West Entrance) at rear ACH entrance (East Entrance) and outside minor injuries.

The Cycle to Work scheme is a salary sacrifice scheme available to NHS Greater Glasgow & Clyde staff*. With Cyclescheme, you can get a bike tax-free, which for most people means they save about 32% of the cost. You can get just about any bike you like from a local bike shop, and it’s good for your health and the environment too.

Shower facilities are located within the staff changing area on third floor ACH. ID badge is required to gain access to area. Secure cycle parking is managed by Facilities. Please note a deposit is required to access the secure locker. Contact Facilities management on 0141 355 1393.

Information on Active Travel, cycling initiatives and travel plan activities is on Staffnet Transport Pages.
