active

NHS Greater Glasgow & Clyde recognise that physical activity is essential for good health and encourage staff and visitors to consider cycling as a great way to travel to hospital sites. This map indicates the shared access routes to hospitals and healthcare facilities. Designated visitor cycle parking is located on most sites. 

Commuter cycle training is available for NHS Greater Glasgow & Clyde staff. There are a range of training courses available from basic beginners training to advanced on-road manoeuvre training for proficient cyclists. Please note courses are arranged subject to demand. 

For further information:
Email: travelpo@ggc.scot.nhs.uk or telephone 0141 201 1439.

The hospitals can be reached on foot from Cardonald train station and Govan Subway station which is 1.3 miles from the hospital campus. Plan your route using the online journey planner www.walkit.com

There are shared access routes to and within the Hospitals campus and cycle hire facilities are available on site at Arrival Square as well as designated visitor cycle parking. Cyclists are encouraged to use the shared access paths in a considerate manner.

Entrance to the Queen Elizabeth University Hospital (QEUH) Glasgow (adult) building and Royal Hospital for Children (RHC) is at Arrival Square.

A directory of departments and electronic way finding information are within the entrances and volunteers are on hand to help direct patients and visitors.

The atrium of the QEUH houses retail shops and a coffee shop and there is a large restaurant/coffee area in the first floor of the hospital.

NHS Greater Glasgow & Clyde have a Bicycle User Group for staff. Please contact TravelPo@ggc.scot.nhs.uk if you wish to be added to the BUG distribution list and be kept informed of initiatives and relevant cycling information for NHSGGC staff.

NHS Greater Glasgow & Clyde are not responsible for loss or damage to property. Staff should be vigilant and use the secure cycle shelters, where possible. ‘Sold Secure’ D locks are recommended. Bikes can be security marked and registered at www.immobilise.com or www.bikeregister.com

The Code for the shelters and cycle lockers are managed by the Facilities Helpdesk within the Laboratory and Facilities Management Building. Tel (ext) 5555 or email: QEUH.FacilitiesHelpdesk@ggc.scot.nhs.uk

Please note that there is a repair station at Arrival Square, yellow shelter and minor repairs box on the campus for staff use.

Information on Active Travel, cycling initiatives and travel plan activities is on Staffnet Transport Pages.

The Clyde Tunnel offer a separate route for road users and pedestrian/cyclist across the Clyde. The pedestrian and cycle route is accessed through a secured buzzer system and has CCTV and separate lanes for pedestrians and cyclists in each direction. It takes approximately 15 minutes to walk and 4 minutes by bike.

The northbound entrance is via Burghead Place and the southbound entrance via Balgray Crescent.
