Car Parking
There are drop off and pick up bays at Arrival Square for both cars and taxis. Patient and visitor car parking spaces are located within two multi storey car parks (P1 and P2) and at Maternity and Langlands Drive (P3). At times the car parks and surrounding roads can be busy and you should consider other travel options such as the bus if it is a suitable alternative. A number of disabled parking bays are available on campus. Car parking is free but there is a 4 hour maximum stay. Car Park attendants are available to provide advice if required.

Cycling
Cycling is a great way to travel to the hospitals. There are shared access routes to the Hospitals campus and cycle hire facilities at Govan Cross, Paisley Road Toll and Partick Interchange. Designated visitor cycle parking and a public bike hire station is located at Arrivals Square. Visit www.cyclestreets.net to get the route that suits you.

Walking
There is a good network of pedestrian and cycle facilities connecting the Queen Elizabeth University Hospitals to neighbouring communities, Govan bus and subway interchange and Cardonald Train Station. You can access the Queen Elizabeth University Hospitals on foot and by bike to or from the north via the Clyde Tunnel. Recent investment has improved CCTV facilities, signage and secure access and entrances to the tunnel. Please use the online journey planner to plan your route www.walkit.com.

Public Transport
Please refer to overleaf map for bus routes and services to the Queen Elizabeth University Hospitals. Public transport provides direct access to the Queen Elizabeth University Hospitals and allows interchange with the subway, other bus services and the train at Govan, Partick or in the City Centre. Arrival Square is located in the centre of the Queen Elizabeth University Hospitals site and can be accessed from Govan Road and Hardgate Road.
