

Clinical Services Fit for the Future Clinical Services Groups – Summary

Group: Cancer

Date: 31 March 2014

What was discussed?

Development Programme update

- A programme to test investment for Clinical Services Fit for the Future is being set up in Paisley, Renfrewshire.
- A half day session is being organised for 14 May to agree the programme details.
- Baseline data are being collected prior to intervention, and an evaluation will be performed to monitor change over time.

Feedback from CSR cancer workshop held on 22 January 2014

- One strong theme from the discussions was the overlap between cancer care and care of the elderly services.

Draft CSR Cancer Report

- The group discussed the draft report and comments were noted.

Next Steps

- Group members will review the revised draft report again.
- A paper, including conclusions from all of the CSR groups, will be prepared for the Board.

Next meetings

- There will be no further meetings of this group.
- Members were thanked for their contributions.
