Dear Mr Robertson

Thank you for your letter of 2 April headed '**Re: South Glasgow University Hospital and Royal Hospital for Sick Children**'. (with a subsequent reference to '**The Queen Elizabeth Teaching and Learning Centre / Stratified Medicine Scotland**')

I apologise for not responding initially before now. [REDACTED]

As you correctly recognise in your original letter, I / we will need to consult the Palace on such requests and I shall get this underway without further delay.

If I require any further information, or have anything to report, I will be in touch as soon as possible.

I am emailing this initial response, but I will send a hard copy in the post also.

Yours sincerely
