Introduction

This issue provides information on the latest edition of Health News and links to an NHSGGC press release on The Shields Centre picking up another two accolades.

Health News

The latest edition of Health News (our public magazine) is out ***NOW!***

Are ready for winter? Make sure you and your family pick up a copy of Health News for all our winter advice and information. Our Know Who To Turn To guide can help you choose the right option for your condition, whether it's going to your pharmacist, contacting your GP & GP out-of-hours service or attending a minor injuries unit... we should all Know Who To Turn To this winter.

This edition also brings you details of the Director of Public Health's report on the health of our population "Back to Basics".

And for the first time we are reaching even further with Health News now available in pharmacies across NHSGGC.
