Introduction

This issue details information on workplace pensions – automatic re-enrolment 31 March 2016.

Workplace pensions – automatic re-enrolment

Under changes to workplace pension arrangements introduced by the UK Government, NHSGGC, along with other employers, require to ensure all staff who are not members of a workplace pension scheme are automatically enrolled into one, and then to review this on a three yearly basis.

The Board's original staging date for automatic enrolment was 31 March 2013. As we are now approaching our re-enrolment date of 31 March 2016, we are required to review the workplace pension status of our workforce.

It has always been the case that staff may join a Pension Scheme at any time, so if you wish to join now please contact your local payroll contact (details are on your pay slip).

What this may mean for you

If you are already an NHS Pension Scheme Member you need do nothing - you will remain in the NHS Scheme. For full information on your pension scheme, visit www.sppa.gov.uk.

If you are not eligible to join the NHS Pension Scheme and are already a NEST Pension Scheme Member you need do nothing - you will remain in NEST. For full information on your pension scheme, visit www.nestpensions.org.uk

If you hold an HMRC certificate confirming entitlement to protection of fixed or enhanced Life Time Allowance (LTA) you do not need to be automatically re-enrolled, however the Board may not be aware that you hold this protection arrangement. Therefore, in order to avoid being part of this process, you must provide a copy of your certificate to the Payroll Department.

If you are not currently a member of either pension scheme we will automatically re-enrol you on 31 March 2016 provided you meet the following criteria:

- Earn over £10,000 a year (£833 a month or £192 per week)

- Are aged 22 or over; and
- Are under State Pension age.

The majority of staff will be enrolled into the NHS Scheme however some of our workforce will not be eligible to join the NHS Pension Scheme and those will be considered for the National Employment Savings Trust (NEST).

Eligible staff will be written to in early March confirming that they are being automatically re-enrolled. A small number of staff may become eligible during March in which case they will receive notification in early April. This letter will confirm the scheme into which you are being enrolled and will provide some additional information including how to opt out if you do not wish to remain a scheme member.
