## Introduction

This issue provides information on NHSGGC press releases; QEUH campus glows gold, school flu immunisation and NHS organ Donation register and a link to Scottish Government press releases issued today on NHS activity.

---

### Queen Elizabeth campus glows gold

The observant among you will have noticed that the Queen Elizabeth University Hospital is glowing gold in the evening, [click here](#) to find out why.

Other press releases issued provide information on [school flu immunisation](#) and a call to join the [NHS Organ Donation register](#).

The Scottish Government have issued a number of press releases today on NHS activity.
