

# Core brief

Wednesday, 12 October 2016

## Introduction

This issue of Core Brief provides information on the Self Management Awards and the Sandyford consultation.

---

## Self Management Awards 2016

West Dunbartonshire Health and Social Care Partnership's Prescribing Support Team have been recognised as the Self Management Supporting Health and Social Care Partnership of the Year at the 2016 Health and Social Care Alliance Scotland Awards. [Click here](#) to read more.

Congratulations also go to the Centre for Integrative Care who won Best Self Management Resource at the Awards, hosted by the Health and Social Care Alliance Scotland. Congratulations to the team!

## Sandyford services needs your help

Clients of Sandyford sexual health services, partner agencies and the wider public are being encouraged to take part in a consultation which will help shape the future priorities for sexual health throughout Greater Glasgow and Clyde. [Click here to read more](#)
