

Improving Rehabilitation Services for the Elderly in North East Glasgow

Public Engagement Events

Our Proposal

We are proposing to improve the way we provide rehabilitation services for older people in the North East of Glasgow.

This would result in the transfer of services from Lightburn Hospital to Glasgow Royal Infirmary and Stobhill Hospital and to local care homes and community facilities in the East End of Glasgow.

We want to talk to people about our proposal, and find out what they think about it.

We are holding two public engagement events:

When: Wednesday 2 November 2-4pm and 6-8pm

Where: Fullarton Park Hotel, 1230 Tollcross Road, Glasgow G32 8HB.

The events are participative so we need to know how many people are coming to plan the arrangements so everyone can get involved, so **please let us know if you want to attend**. If you don't book a place we cannot guarantee we will be able to accommodate you.

Register your interest for an event by:

If require any support to participate (such as interpreting), or have any questions please get in touch with us to discuss this.
