## Message from Robert Calderwood Board Chief Executive

Director of Planning and Policy retirement

"I am writing to let people know that Catriona Renfrew, the Board Director of Planning and Policy, has indicated her intention to retire from the NHS at the end of June 2017. There will be plenty of opportunities for us to acknowledge Catriona's contribution to the NHS in Greater Glasgow and more widely but I would like to place on the record my thanks for Catriona's work for this Board over the last twenty years and to recognise her extensive NHS career."

Catriona said: "I joined the NHS in Bristol in 1985, I am now looking forward to pursuing other interests and opportunities. I have worked in a wide range of NHS organisations and across many different NHS services. I feel genuinely privileged to have worked for our most important public service. Over the last 32 years I have been inspired by so many staff, and also by the patients we serve."

I am proud to have played a part in supporting and reshaping the care the NHS delivers to better serve our patients and I will continue to focus on contributing to that over the next four months."
