Dear Robert

NHS Greater Glasgow and Clyde – Gorbals and Woodside – Full Business Case

The above Full Business Cases were considered by the Health Directorate's Capital Investment Group (CIG) at its meeting on 15 December 2016. Since then, CIG members have been in contact with your project team to resolve a number of issues. These have now been addressed and CIG has recommended approval. I am pleased to tell you that I accept that recommendation and now invite you to proceed to financial close.

A public version of the document should be sent to Colin Wilson (Colin.Wilson2@gov.scot) within one month of receiving this approval letter, for submission to the Scottish Parliament Information Centre (SPICe). It is a compulsory requirement within SCIM, **for schemes in excess of £5m**, that NHS Boards set up a section of their website dedicated specifically to such projects. The approved Business Case should be placed there, together with as much relevant documentation and information as appropriate. Further information can be found at http://www.scim.scot.nhs.uk/Approvals/Pub_BC_C.htm.

NHS Greater Glasgow and Clyde should liaise with SG Communications colleagues if any publicity is planned about the approval of the business case.

As always, CIG members will be happy to engage with your team as the project progresses and to discuss any concerns which may arise. In the meantime, if you have any queries please contact Alan Morrison on 0131 244 2363 or e-mail Alan.Morrison@gov.scot.

Yours sincerely

Paul Gray
