

Pathway Area: Day Hospital and Outpatient Services

Proposed New Pathway

Day Hospital and Outpatient Services

Talk to us about what happens at:

- **Day Hospital**

- On an acute site with access to support services to reduce number of visits
- Follow-up after an admission or to prevent being admitted to an acute hospital

- **Outpatient clinics**

- On an acute site with access to support services to provide 'one stop shop'
- Follow-up after an admission or to prevent being admitted to an acute hospital

Stobhill Day Hospital and Outpatient Clinics
