

Pathway Area: Community Based Rehabilitation

Proposed New Pathway

Community Based Rehabilitation

Talk to us about:

- **Intermediate care**

- Beds in local care homes provided by Health and Social Care Partnership
- Rehabilitation and reablement in a more homely setting provided by NHS and care home staff
- Follow-up after an admission or to prevent being admitted to an acute hospital

- **Home based rehabilitation**

- Community Rehabilitation Team providing input directly in peoples homes
- Follow-up after an admission or to prevent being admitted to an acute hospital or intermediate care

Intermediate Care
