About Visual Aids for Learning

Visual Aids for Learning is a company that develops images to streamline and support learning, empowering people to participate and achieve independence.

The free downloads are supported from revenue generated by online advertising on our website. We encourage you to visit our website often as we are continually updating these products and adding new images.

How to make your kit

1. Print this document (we recommend using 180—200 gsm matt card)
2. Cut out each individual card using the grey lines as a guide.

Tips

- For greater durability you may consider laminating each individual card.
- For greater permanency, you may consider placing a Velcro "button" on the back of each card and a Velcro strip on the surface where you want the cards to be displayed.

How to use this kit

For suggestions on how to use these visuals, you can download an instruction booklet from our website.
