## A message to all staff

The Executive Team and Board Members of NHS GGC are greatly impressed with the efforts from all our clinical and non clinical teams caring for our patients in the most challenging of circumstances.

There are many stories of staff going that extra mile, car pools and staff sleeping over to ensure our patient services are covered. Your efforts are greatly appreciated.

Everyone is essential to make our services work.

We know you are making every effort to get to your own workplace, if you cannot, please report to your nearest NHSGGC site to assist colleagues where you can.

Please contact your line manager if you have any difficulties. Thank you once again.
