Introduction

This issue of Core Brief details a message from Anne MacPherson, director of HR & OD.

Message from Anne MacPherson, Director of Human Resources and Organisational Development

Whilst we have been regularly communicating with staff regarding the Adverse Weather Policy, it has been highlighted that there still remains some confusion regarding the leave situation particularly through the Red Warning period.

Staff who were unable to attend work as a result of the adverse weather and who have made a reasonable attempt to consider alternatives, or due to extremis were unable to do so, will be given special paid leave on the two Red Warning days.

The Board's Adverse Weather Policy will apply on all other days and I have asked all managers to ensure that a sensitive and constructive approach is adopted.
