Daily Record Our Heroes Awards

Many congratulations to the staff who were honoured on Friday night at the Daily Record's Our Heroes Awards in Glasgow. The staff including Louise Burnett, Imelda Canave, Helen Watson, Lindsey Chisholm, Barry Currie, Peter Currie, Adam Kirk and Ross McKinnon won the Editor's Choice award for going the extra mile during the 'Beast from the East' in early March.

Miss Chisholm walked to work at the Royal Alexandra Hospital in Paisley from the west end of Glasgow to operate on a patient who had cancer.

She said: "It was lovely to be recognised in this way and we had a fabulous evening but we were just representative of the many, many NHS staff who stayed beyond their shifts and made a huge effort to get to work during the snowy weather. The selfless actions of so many NHS staff demonstrate that looking after our patients remains our primary concern."
