

SELF CARE  
TOILETING

# My Toileting Story

I have to go to the bathroom several times a day.

I have to use the toilet.

Sometimes I have to go pee.

Sometimes I have to have a poo.

After I have a poo I need to wipe myself.  
This is okay.

I will try to wipe myself until my bottom is clean.

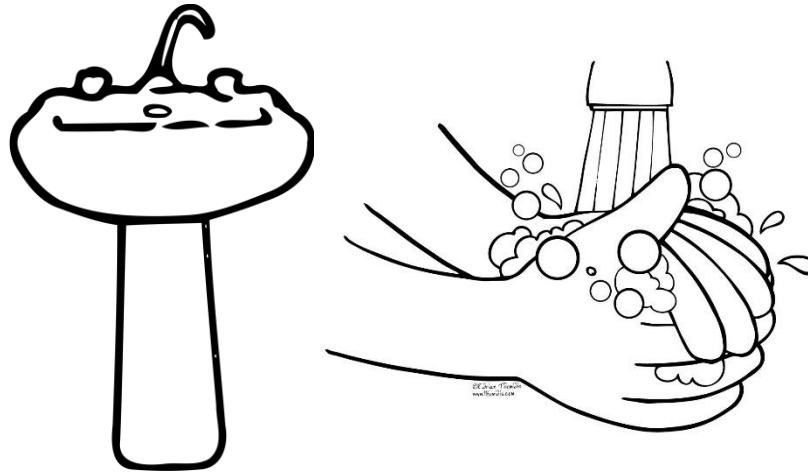

Sometimes I might have to wipe myself 2 or 3 times. This is okay.

When I am done wiping I can flush the toilet.

Then I can wash my hands.

Then I dry my hands.

This is good, this is what everyone has to do.
