

## SELF CARE TOILETING

### SEQUENCING OF TOILETING

If your child has difficulty with the - **sequence of toileting**:-

- Use a picture of a toilet (your own if possible) to prompt him/her that it is time to go.

- Use pictures of the stages of the toileting process to remind your child to wipe their bottom, flush the toilet, organise their clothes, wash their hands etc.

### Visual Charts

If you would like to use symbol cards instead of photographs:
