eESS Management Hierarchy

All managers have now been sent an email from the eESS project team requesting your assistance with our management hierarchy. Our hierarchy information is mandatory to ensure that all employees and managers within NHSGGC have records on our eESS system prior to the implementation date as we cannot go live without this information. It is **essential** that we compile these hierarchy lists as a matter of urgent action.

We would greatly appreciate if you could review this information as soon as possible and return to: Laura Brown, HR Change Facilitator Laura.Brown6@ggc.scot.nhs.uk or, Nicola McDonald, Data Assistant Nicola.McDonald@ggc.scot.nhs.uk

If you have not received an email requesting your hierarchy information, please email Laura.Brown6@ggc.scot.nhs.uk to request further information.
