

Core brief

Tuesday 6 November 2018

Introduction

This issue of Core Brief details information on last night's (Monday 5 November) Celebrating Success event.

Celebrating Success Staff Event

Last night saw our glittering Celebrating Success Staff Event take place and we have been busy uploading dozens of pictures capturing the moment. These are now available for everyone to see.

Congratulations to our Local Awards overall winners, the William Cullen Prize winners and of course our very own Chairman's Platinum Awards winners.

We raised a fantastic £3,439 through our charity draw for the Glasgow Association for Mental Health Young Carers project which offers support to children and young people who care for parents with severe and enduring mental health problems.

[Click here](#) to see some fantastic pictures from the night. Can you spot anyone you know!
