

Core brief

Friday, 14 December 2018

Introduction

This issue brings a call for your poster abstracts and reminds you of the medicines waste campaign.

NHSScotland event 2019 - Call for posters now open

Next year's event is being held on 30 and 31 May at the Scottish Event Campus (SEC), Glasgow. The title of the event is '**Working Together, Improving Outcomes**'.

One of the key features at the event is the poster exhibition. Which forms an integral part of best practice, learning and sharing at the event.

Poster abstracts should showcase examples of how your work is taking forward the priority areas identified for action in our journey towards 2020 and beyond.

There will also be a Transformational Change Award which will recognise work that is transforming the way care is provided in Scotland. If poster authors want their abstract to be considered for this award, please ensure this is fully illustrated in the abstract.

Poster should be with you poster co-ordinator by close of play on **Friday 18 January 2019**.

You can view the [Poster FAQs on the event website](#) as these will help to answer any queries you may have in relation to the poster process.

Medicines waste costs NHSScotland millions every year

For your chance to win £40 Argos vouchers complete the medicines waste campaign survey by 19 December, [click here](#).

The survey will only take five minutes to complete.
