## Appointments and moves

Fiona MacKay has been appointed as the Associate Director of Planning within the Corporate Planning function. Fiona is currently the Head of Strategic Planning and Health Improvement in Renfrewshire HSCP.

Dr Jennifer Armstrong, Board Medical Director, said: "Fiona's experience will help strengthen our strategic approach within the Health Board in relation to whole system planning and we look forward to working with her on some of the key change programmes for NHSGGC including Moving Forward Together.

Congratulations to Gary Jenkins, Director of Regional Services, who has been appointed as Chief Executive of The State Hospital for Scotland.

Now that Arwel Williams and Isobel Neil are in place as Director of Diagnostics and Imaging and Director – North Sector; Jonathan Best, Chief Operating Officer, would like to extend sincere thanks to John Stuart (Interim Director – North Sector), Lynn Ross (Interim Director Diagnostics) and Ann-Frances Fisher (Interim Chief Nurse – North Sector) for their hard work undertaking interim roles over the past period.
