

# ACTICHLOR™ PLUS

## BLOOD SPILLS

**1**  
Wear disposable gloves and apron. Safety glasses with side shields are required when handling the granules and tablets. When using the solution, safety glasses should be worn if there is risk of splashing

**2**  
Dispense Actichlor Granules directly onto the wet blood spill and leave for **3 minutes** and dispose as clinical waste

**2**  
**OR**  
Place paper towels over blood spill. Dissolve Actichlor Plus tablets (according to dilution instructions below) in cold water to make your solution. Carefully pour over towels. Leave for **3 minutes** and dispose as clinical waste

**3**  
Clean spillage area with General Purpose Neutral Detergent (detergent wipes)

**4**  
Keep solution for no longer than 24 hours. Dispose of remaining solution into appropriate drains with running water e.g. disposal sink, sluice

**5**  
Dispose of gloves and apron as clinical waste. Wash hands after removing gloves and apron
