ANNUAL SCOTRAIL TICKET SCHEME - TERMS AND CONDITIONS

As part of the ongoing implementation and development of the Travel Plan for NHS Greater Glasgow and Clyde (NHS GG&C), the organisation is providing staff currently employed with NHS GG&C with the opportunity to purchase a ScotRail Annual Season Ticket which they can pay for in manageable monthly/weekly installments.

The following Terms and Conditions apply:

1. Who can apply for a loan?

An interest free ScotRail Annual Season Ticket loan will only be issued to NHS GG&C employees who meet the following criteria:

- You must be a salaried member of NHS GG&C staff with a Payroll number, i.e. have a contract of employment issued from Human Resources;
- You must have a contract of employment that covers the full period of the ScotRail Annual Season Ticket;
- Your ScotRail Annual Season Ticket must cost no more than one tenth of your gross annual salary including any superannuable allowances.

2. The Application Process

- ScotRail Annual Season Ticket application forms are available from the NHS GG&C Staff Net or and directly from the Travel Plan Office;
 - The completed application must be returned to the Travel Plan Office;
 - The Travel Plan Office will then process your application and instruct ScotRail to issue the Annual Season Ticket. Please note there is a postage charge payable for the delivery of paper season tickets. There is no charge for Smartcard tickets;
 - Loan repayments will only commence following the date of issue of the ScotRail Annual Season Ticket;
 - ScotRail will invoice NHSGG&C directly;
- Please allow up to 14 days for your application to be processed;

3. Repaying the loan

Repayment of the NHSGG&C ScotRail Annual Season Ticket loan made to you will be by direct deduction in 12 monthly instalments from your salary or 52 weekly instalments if you are paid weekly. If the deductions do not commence within 1 month/ 4 weeks then it is your responsibility to contact the Travel Plan Office or Payroll Officer in the first instance to query. When your mandate reaches Payroll and there is a balance due, Payroll will deduct the outstanding balance from your next monthly / weekly salary to compensate.

4. Procedures if a member of staff leaves NHS GG&C or if a member of staff undergoes a change in circumstances

If you are no longer able to use the ScotRail Annual Season Ticket, or no longer wish to use it, at any time before the whole loan has been repaid, you may return, in person, the ScotRail Annual Season Ticket to ScotRail for a refund. It will be the difference between the price you paid and the cost of a ticket or tickets for the period for which you have actually used the ticket, plus a £10 administration fee. Because of the discounts on longer term Season Tickets, refunds are not made pro rata to the periods before/after surrender and Annual Season Tickets have no refund value after about 10 1/2 months.

ScotRail will issue the remainder of the balance owed on the Annual Season Ticket. If the ScotRail Annual Season Ticket has not been returned, the balance of the loan will immediately become repayable from your last pay. If the balance of the outstanding loan is larger than your next net salary payment, individual arrangements will be made with you for recovering the balance.

5. Lost or Stolen ScotRail Annual Season Tickets

Care of the ScotRail Annual Season Ticket is your responsibility. If the card is lost or stolen you should inform the Travel Planning Office who will approach ScotRail on your behalf, however ScotRail do not normally give a refund or a replacement for lost or stolen cards. It is therefore recommended that your ScotRail Annual Season Ticket is adequately insured against loss as the outstanding balance of the NHS GG&C loan is still repayable.

6. Renewing a ScotRail Annual Season Ticket

An interest free loan for the ScotRail Annual Season Ticket is not renewed automatically. You must submit a new loan application form to the Travel Planning Office at least three weeks before the card expires to ensure the card is renewed in time.

7. Conditions of and Liability for Travel

You understand and agree that the conditions of, and all liability for, travel through your use of the ScotRail Annual Season Ticket (and in particular damage to property, injury, death, and every kind of financial loss resulting from such travel) are all exclusively between you and Scotrail and are not in any way the responsibility or liability of NHS GG&C or any other NHS entity.

8. How we use your information

All employee information will be held in accordance with the General Data Protection Regulation (2018). Information will be shared between operator and NHS Greater Glasgow & Clyde for the purpose of providing your season ticket, statistical analysis and monitoring. In addition to travel route and season ticket start date, your name, address, mobile number and e mail address and Smartcard ID number, provided as part of your application is shared with the operator for verification purposes.

Declaration:

I have read and accept the above ScotRail Annual Season Ticket Loan Terms and Conditions set out on this and the preceding page.
